NEW HOUSING PROJECT MAY THREATEN SCHOOL GROWTH

Housing and proposed housing developments in the Antioch area have recently stolen the headlines and have kept village and township officials in a frenzy with technical and complicated plans.

One such new project, to be developed by two local men (Don Pittman and Robert Bemis) has recently surfaced after a long stay in the limbo of preliminary planning

According to reports emanating from the office of Township Supervisor Lloyd "Red" Murrie, the latest project will be called Sabrina Heights to be located near the intersection of Illinois Rte. 59 and Beach Grove Road.

The subdivision will consist of 20 single family homes to be in the moderate to high price range. Lot sizes vary slightly, but all are between 40,000 and 56,000 square feet, thus meeting the county

building requirements.

Land for the project already has appropriate SR (single family residence) zoning and being out of the village limits will require no action from the Village Zoning Board or Plan Commission.

The project will surround the Emmons Grade School, which is located at the intersection's northeast corner. Because of its positioning, the housing will effectively cut the school off from any

future land expansion, provided the school does not resort to land across either street, which now seems unlikely. The school currently occupies one-third of the 4.5 acre site.

John Kakacek, principal of the school said he was totally unaware of the project. "Our school board met on June 13 and if there was any knowledge of it, I'm sure it would have come out. If the information is correct, it could put us in a bad situation."

MOTHERS AID REFERENDUM BID

If enthusiasm, drive, and willingness to work are indicators of success in getting out the vote, then the District 34 Grade School referendum should have a good voter response. During the past ten days, over 150 mothers have spent a total of well over 1000 hours in making plans to encourage voter turnout on July 15. The School District has been divided into nine working zones with a group of mothers in each zone undertaking the task of calling all registered voters to help answer questions about the referendum and to encourage voting. Lists have been made of all registered voters in the district, along with lists of eligible voters who are apparently not registered. Every effort will be made to increase the number of registered voters by encouraging the voters to register on any week day at the schools, or at the Upper Grade School from 7 p.m. to 9 p.m. on July 10th thru July 14th. This time is being donated by the registrars.

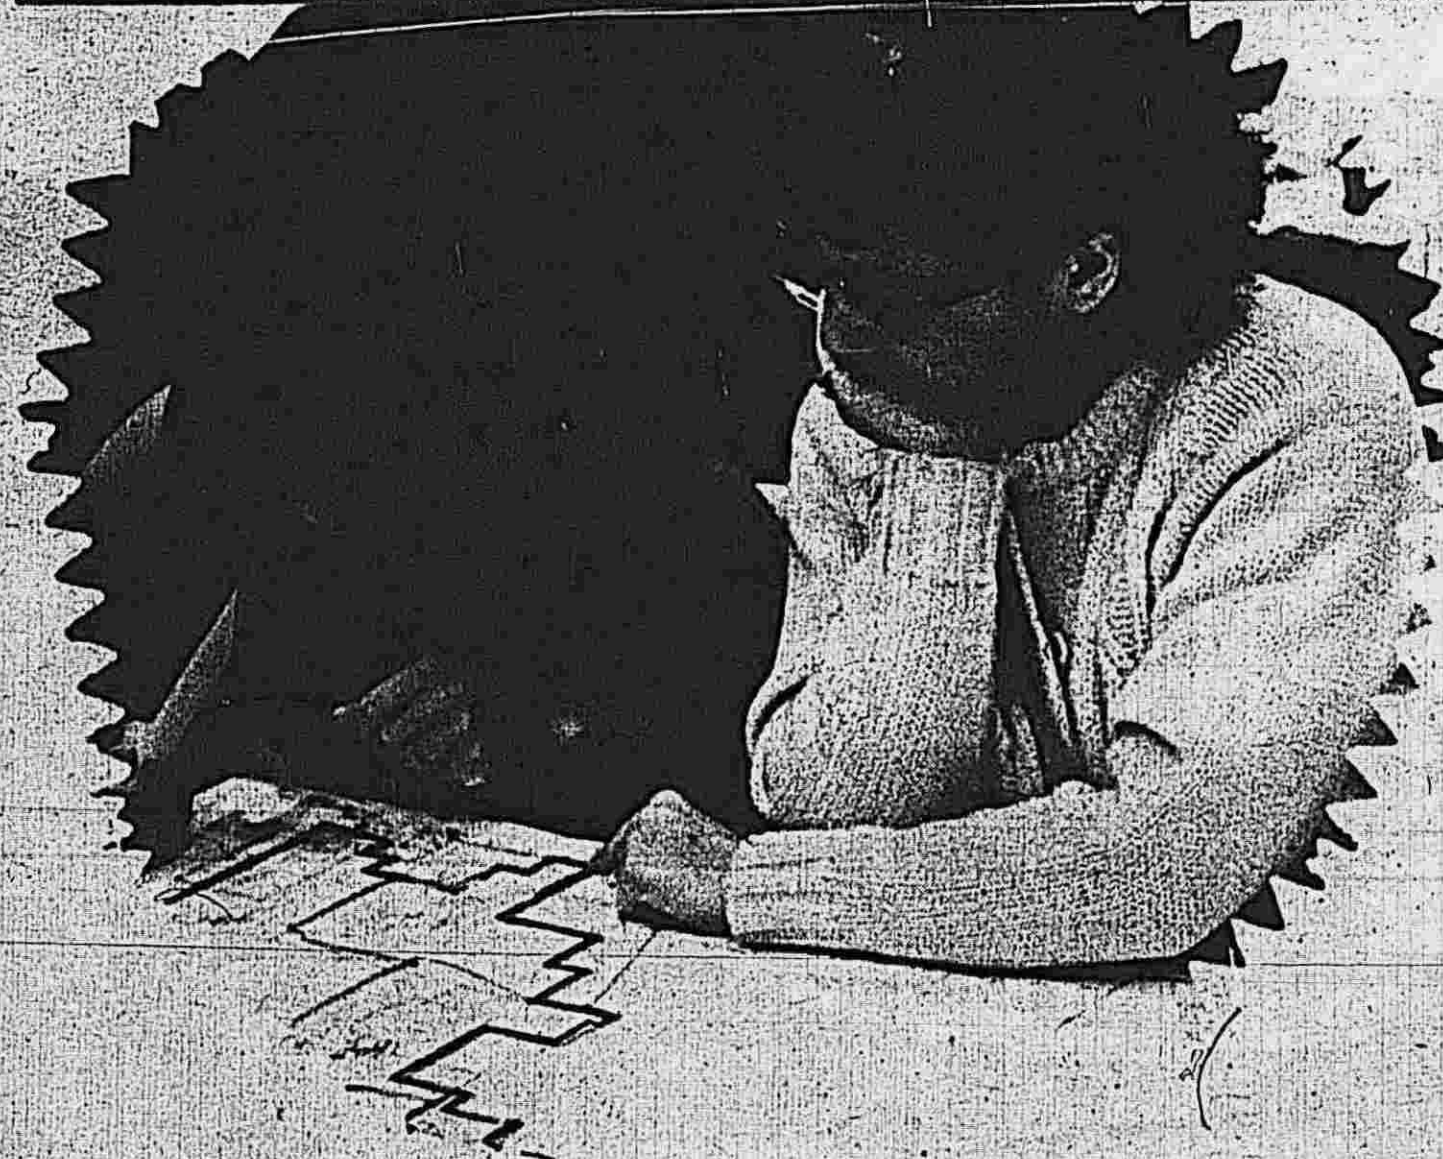

To register a person must be a U.S. Citizen over 18 years old

and must have had their legal residence in District 34 for at least 30 days, and in the State for at least 6 months. Voter registration lists will be furnished the judges so anyone registering late should bring their temporary statement of registration with them when they go to the polls.

The referendum is asking for a thirty-five cent increase in the Education fund per hundred dollars of assessed valuation, and 3 cents for the transportation fund. This amounts to something less than \$38.00 for a house valued at \$20,000.

The referendum was called by the Board of Education after receiving a statement of referendum support from the citizens committee of eight and P.T.A. circulated petitions with 350 signatures requesting a referendum. The successful passage of the referendum will restore the programs which were cut by the Board of Education earlier this spring.

Voters who have questions relative to the referendum are urged to call the Board of Education office, 395-0712.

CLOSING DATE NEAR

This is notice that the closing date, or last possible date for filing a HOMESTEAD EXEMPTION, for the 1972 assessment year is JULY 20, 1972.

ROTARY INSTALLATION

"Service above self" was the theme of Past District Governor Don Rawlin's remarks at the recent installation of Antioch Rotary officers. A member of the Richmond club and one of the founders of the Antioch Club, Rawlins challenged the new officers to walk in the footsteps of retiring officers.

Michael Warren, newly elected vice president was installed as president pro tem because of the hospitalization of John Heick,

newly elected president. Also installed was William Brook, secretary, and Walter Daniels, treasurer.

Mark Crawford, Interact Club president gave a brief talk to the group. He thanked Rotary for its sponsorship over the years of the high school service club.

Pictured are Don Rawlins (far left), Past President of the Antioch Club Ken Mazzuca, Michael Warren and Walter Daniels. (staff photo)

LOCAL RESIDENTS COMPLETE DEFENSIVE DRIVING INSTRUCTOR COURSE

Three Antioch, Illinois residents have recently completed a Defensive Driving Instructor Course sponsored by the American Association of Retired Persons here.

Given in cooperation with the National Safety Council, the course was designed to qualify instructors to teach older drivers in their communities techniques which will help them "drive and stay alive."

John J. Kennedy and Samuel

C. Boardman of Chicago, Ill., AARP Insurance Consultants, used films and other visual aids to demonstrate ways older drivers can avoid injuries and unnecessary property damage by improving driving skills and habits.

Local residents graduating were: John L. Horan, 407 Orchard Street, Victor T. Nelson, Route 5, Box 98 and Clarence F. Spiering, Route 2, Box 210.

With a membership of more than 3.8 million persons, AARP is the nation's largest organization committed to helping older Americans achieve retirement lives of dignity, independence and purpose.

Open to all persons 55 years of age or older, AARP operates many income stretching services for members and publishes magazines and other materials of special interest to older Americans. Included

among Association services are recommended health, life and automobile insurance programs, a travel service geared to mature needs, a pharmacy with four locations, a temporary employment service, pre-retirement counseling programs and a continuing education program.

For additional information about the Association, write AARP, 1225 Connecticut Ave., N.W., Washington, D.C. 20036.

OUR PROUDEST ACHIEVEMENT

After one more flight, the Apollo program of moon exploration by manned space flights will come to an end. In a fitting eulogy to what could prove to be the proudest U.S. achievement, D. J. R. Bruckner of the Los Angeles Times-Washington Post Service writes: "...the Apollo program destroyed nothing. It only added something to the stature of every American in the eyes of mankind. It only benefited the understanding, the imagination and the spirit of humanity. It has only opened up enormously fruitful areas of knowledge about how the world we live in was formed, and how it works. Everyone of us share in such knowledge and through it we share a little in the lives of the great discoverers of nature...The Apollo program has been a work of merit, even of glory, in a dark time of U.S. history. If any achievement of mankind is remembered, this one will be."

Senate Bill 199 Protects Campers And Swimmers

Sen. Karl Berning, R-Deerfield, today told Senate colleagues that he is extremely pleased with the success of legislation designed to protect swimmers and campers at the various recreational areas throughout the state.

Berning was the chief sponsor of Senate Bill 199 which was enacted last year to create the "Recreational Area Licensing Act." Rep. W.J. Murphy, R-Antioch, provided leadership for the measure in the House.

The bill set sanitation and safety standards and licensing procedures for bathing beaches and campgrounds in Illinois.

Following enactment of

Berning's bill, Verdun Randolph, environmental health bureau chief for the state department of public health, sent a letter to Berning outlining recent discoveries of intestinal infection and the swimmer's itch.

"Without Senate Bill 199 we probably would not even have known about the problem in bathing beaches nor to set bathing beach sanitation standards," Randolph said.

Randolph reported that his regional engineers have investigated outbreaks of schistosomes, or swimmers itch, at Lake Killarney and Lake McCullom in McHenry County.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Dear Sir,

This past week the carpenters have been on strike. They set up signs by the construction sites and sit by their cadillacs and cry for more money and benefits. The carpenters are extremely well paid now, but they say they want more money. I don't believe that they know what they want. The AFL-CIO leaders want more money so they send some idiot union members out on strike then raise the dues and prices, etc. If the people don't begin to stand on their own two feet pretty soon, the unions will overrun us. We've got to fight back and not give in to the whims of the union. It makes me sick to see the strikers sit by their cadillacs and cry for more money. I'm going to fight the unions as best I can. I wish more people would.

Thank you,

Gary Rush

What's So Great About Antioch?

Dear Sir

What's So Great About Antioch? It didn't take very long to find many answers to that question when I was a newcomer to our community about four years ago. The first time the sirens went off I learned that our Rescue Squad was highly trained, very dedicated and the best in the state. The Lions Club Pool was shown to us and the background of hard work and fundraising was told with great pride. Our churches, local businesses, medical clinics; all are considered to be the best you can find anywhere.

With the high level of community pride which exists, it seems to me quite inconsistent that Antioch people could contemplate drastic cutbacks in the elementary school programs. Yet, the District 34 Elementary School Board is out of money, and our community has a track record in recent years of defeating educational tax referenda.

This is particularly baffling when you consider that in District 34 our Educational tax rate is currently equal to or LOWER than 26 of the 38 elementary districts in the county.

On July 15th, Antioch voters will be asked to approve a 38

cent increase; a very modest increase.

What will a 38 cent increase cost? A property owner whose home is worth \$21,000 will pay approximately an extra \$39.90 per year or \$3.33 per month.

The truly important question is what will the 38 cent increase buy?

The School Board is on record that when the referendum passes they will reinstate the essential programs which have been cut i.e. athletics, vocal music, chorus, a State Championship band, arts, crafts, home economics and shop courses. This is an EDUCATIONAL tax referendum and has nothing to do with many of the "old chestnut" issues about which some people seem to get upset. Don't allow yourself to confuse that which is at issue.

Our Antioch school children deserve the chance to play for the school team against other schools, or to march in a championship band. School girls should be able to learn how to make cakes and dresses. The kids need the enrichment and educational balance of art and shop and chorus and crafts.

An unprecedented effort will be shown by concerned people between now and July 15th. They will pass the Educational Referendum. Through their efforts our community will re-assert what's so great about Antioch;...Our Pride!

Peter Houlihan

MAYOR TOFT PROCLAIMS SOCIAL SECURITY MEDICARE MONTH

Mayor Ray Toft signed a proclamation June 19th naming July as "Social Security Medicare Month", in the city of Antioch.

Mayor Toft said, "There are more than 1,076 citizens of the Antioch area receiving Social Security Medicare benefits". He urged all local government agencies, as well as public and private organizations, to give publicity to the theme of this special month.

Waukegan Social Security District Manager, Allen K. Joy, said, "Our goals are to get proper completion and submission of applications for Medicare payments. In addition we want to give each beneficiary a better understanding of the importance of his Medicare statement of benefits."

Smiling, black-eyed Jason Kayvan Hauser probably would not have survived in an Iranian orphanage if he had not been adopted by Dee and Mike Hauser. (staff photo)

Return With Treasures

In the year 1349 Mike and Dee Hauser set off on a new teaching adventure in "the land of the lion and the sun". But they were not medieval scholars mounting their camels and setting out, but rather young American teachers seeking adventure in the country of Iran where the date is some 625 years earlier than the Western World.

In what was the year 1970 A.D. to us, after several years of teaching in the U.S., the opportunity to teach in Iran and become engrossed in the culture of this southwest Asian country became a reality.

Now, as they return to the U.S. two years later, the Hausers bring with them the most invaluable treasures any country can give: their two adopted Iranian children.

Eighteen-month old Aaryan is a vivacious blonde, probably from the northern part of Iran, who smiles and laughs constantly as she visits her grandparents, Mr. and Mrs. Melvin Stillson, in the U.S. for the first time. Having been adopted when she was three and a half months old, Aaryan has travelled through Europe and Asia with her new family.

Jason, typically Iranian with the black-as-coal eyes and the shiniest black hair, became a Hauser when he was two weeks old. Now six months old, he and Aaryan will hopefully become naturalized Americans while Dee and Mike are in the States this summer. Healthy and happy as they are now, "they probably wouldn't have survived if we hadn't adopted them," says Dee lamenting the crowded conditions of the Iranian orphanages.

Formerly of Antioch, Dee Stillson Hauser, daughter of Mr. and Mrs. Melvin Stillson of Antioch, and her husband, Mike, had always hoped for the opportunity to utilize their teaching careers in an exotic place.

"We wanted to live in a foreign land, study the culture, travel and further our careers," says the freckle-faced teacher who taught high school science and health in the Teheran American School for two years. Mike taught fourth grade in this school of 1300 students in grades one through twelve.

The school required that all enrolled have American passports, therefore the students were children of military personnel, oil company employees and other American families living in Teheran.

However, while not teaching

Irani children, the Hausers lived in the middle-class section of the city, constantly coming in contact with the people.

The bazaar in Teheran boasts of being the largest in the Middle East. Shopping in the market, where chaffering was expected and enjoyed by the countrymen, required that Dee learn a bit of the language, "Farsi," and definitely the art of compromise buying. Shopping hours differ too. She couldn't do any afternoon shopping, as the store hours are from 8 a.m. to 1 p.m. and 4 p.m. to 7 p.m. in the evening.

But hesitation was obvious as Dee and Mike discussed the tradition and folklore encountered in Iran. "Sure, you see all the things of the past: women in their long flowing costumes, camels walking through the streets. But you see many more Mercedes-Benz than camels."

The people want to show the world the progress they've made. While they're now an emerging country, they are proud of their TV, radio and newspaper developments and resent the picture the world carries of Iran, "of the old man pushing the wheelbarrow."

Mike stresses that you can see the past and the present as you walk through the streets of Teheran. "While you may see one traditionally dressed woman (although the covering of the face has been done away with by order of the shah), the next woman may be wearing a Paris creation."

Shah Mohammed Reza Pahlavi is attempting to advance his 2500 year old country as much as possible. Although it is still strongly divided between the upper and lower classes the shah hopes to bring water, electricity, education and medical care to all of his well over 20 million people in the near future.

The Koran, the scripture of the Mohammedans, states that the rich must give a certain amount to the poor, and most people in Iran follow their religion quite closely.

Dee and Mike commented, however, that it is the poor in Iran who remain the most strongly religious, not eating pork and retaining a certain time of the day for prayer.

By having a "Badji", an Iranian maid, in their foreign home, Dee and Mike learned a great deal of the everyday life and customs. Taking care of the home and whatever chores needed to be done, their "badji"

Mike Hauser, holding his daughter Aaryan Pantea and wife Dee, holding son Jason Kayvan, are back in the U.S. after teaching in Iran for two years. They are visiting Dee's parents Mr. and Mrs. Melvin Stillson of Spafford Street, Antioch, before leaving for Yugoslavia this fall.

worked from 7:30 a.m. to about 4 p.m., earning about \$52 per month. In a country where the small villages carry on the centuries-old occupations, while the big cities boast huge modern oil companies, the average yearly income, Mike says, is about \$450.

On meeting Dee, her gold bangle bracelets immediately catch your attention. These too are a part of the Iranian culture she has brought home with her. These 18 carat gold bands, seven are usually worn, are rarely removed are an important proof of an Iranian woman's economic ability to purchase them.

Buying Persian rugs was quite an experience for the two adventurers. "The dealers in rugs are so proud of their merchandise that they don't even care if you buy," Dee says laughing at the meager possibility of this happening in the U.S. "They just enjoy showing you their beautiful rugs, and telling you the story behind each one."

Going from one adventure to another Dee and Mike Hauser will take their exotic family and move on this fall. In Zagreb, the capital of Croatia in Yugoslavia, Mike will become the principle teacher at an American school, grades one through eight, organized to give a stateside curriculum outside the U.S.

In Yugoslavia Dee will design a biology lab and teach in the 26 student school, taking time out in October to bear the child that she is expecting.

"We looked for something different... and this is an ideal teaching situation," the Hausers told us, looking forward to the individual attention they will be able to give to each student in such a small school.

And ideal seems to be the word to describe the life of experiencing and becoming engrossed in different cultures of the world.

And most outstanding of all, Dee and Mike Hauser have completely given of themselves, taking in part of Iran as they adopted their two living reminders of their adventure.

Aaryan Pantea and her brother are the Hausers' invaluable Iranian treasures brought from their two-year home. (staff photo)

GROVE SCHOOL MATCHING GRANT DRIVE SUCCESSFUL

At The annual Grove School Corporation meeting held June 19, 1972 at the school, Mrs. Charles C. Searles, Wilmette, Chairman of the Capital Fund Drive for a residential and rehabilitation unit for Grove School, announced the current drive to match the W. W. Grainger Foundation grant of \$162,500 by May 31, 1972 was successful. She also, announced that the Kresge Foundation had awarded the school a grant of \$25,000 toward the first phase of a four phase construction program for life care for the handicapped children of Grove School. She said, "A banner year in the history of Grove School at Ridge Farm started when we were given a matching fund grant by the W. W. Grainger Foundation for our first residential unit. Parents, staff, board, and friends all worked together, and we have accomplished our goal."

M. David Cain, Waukegan, Chairman of the Board of Directors presided at the annual meeting. Annual reports were given by the officers of the corporation, Mrs. Edward J. Matson, President and Executive Director, Mrs. A. L. Ellickson, Libertyville, Vice President and Administrator, Mrs. Howard B. Wright, Gurnee, Vice President and Administrator of Educational Services and Paul W. Kaiser, Sr., Waukegan, Secretary-Treasurer.

Election of corporate officers and board members was held. Mrs. Howard B. Wright was re-elected Vice President of the corporation for a term of three years. The following were elected or re-elected for a term of three years to the Board of Directors: M. David Cain, Waukegan, Mrs. Lowell Goone, Skokie, James W. McEnery, Lake Forest, Sherwin S. Stern, Chicago, Mrs. Wright, Mrs. Jack B. Winters, Lake Forest, and Mrs. Richard Young, Buffalo Grove.

The following were elected for a one year term as representatives of service organizations that assist the school: Mrs. Edmond Vos, Antioch, Richard Evans, Chicago, George Nahabedian, Morton Grove and Frank Jensen, Lake Forest.

The appointment of three representatives from youth groups that support the school to a one year term on the Grove School Board of Directors was approved. They will be selected from the area's colleges and high schools students, and from the volunteers who participate in the Grove School Saturday Recreation Program.

Dr. Margaret Lindman, Lake Forest was elected to the Honorary Board of Grove School in recognition of the help she has given the school.

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Five Hour Session Caps Grade School Meeting

The Antioch Grade School Board spent a lengthy period of time in executive session at their June 27 board meeting and re-appeared with little finalized, but much to accomplish.

Much of the time spent at the meeting was related to referendum planning for the district's

July 15th date with the voters. However, the board did rule on a number of other matters.

The board ruled to increase the fee for physical examinations of bus drivers and cooks from \$10 to \$13.

A unanimous vote by board members will allow the sale of tax anticipation warrants up to a total of \$80,000. The warrants will be issued in \$10,000

denominations as needed.

Referendum election judges for the district's July 15 vote were approved following a short discussion.

The before mentioned executive session was of more than a two and one-half hour duration. Board members came out of the session at 12:50 a.m. and adjourned the meeting shortly afterward.

PASTOR BENSON Returns To Speak at Methodist Church

HOWARD BENSON

This Sunday, July 9, at 9:30 a.m. the congregation of the Antioch United Methodist Church will be honored to have Reverend Howard Benson as

guest speaker.

Former pastor of the Antioch United Methodist Church from 1953 to 1958, Mr. Benson is presently the District Superintendent of the Elgin District, Northern Illinois Conference, United Methodist Church. In this capacity for two years, he served with the Bishop of the area and works with pastors and congregations of some 55 churches. He and his family reside in Elgin.

After leaving Antioch, Mr. Benson served as pastor of churches in Hoffman Estates, Northbrook, and Trinity in the Beverly Hills area of Chicago.

Mr. Benson's wife Shirley and his children 15 year old Paul, 12 year old John and Laura, age 9 will accompany him to meet old friends.

New Deductions

A beautiful and BIG-baby girl made her debut on June 24 when Erica Lynn was born to Mr. and Mrs. Richard Rogala of Lindenhurst. She weighed in at 9 lbs. and was 20 1/4" long.

The third child for the Rogala family, Erica has a brother Mark, 3 1/2, and a sister Alexis, 1 1/2 years old.

Paternal grandmother is Mrs. Mary Rogala of Marathon, Florida, formerly of Antioch.

Maternal grandparents are Mr. and Mrs. Alvin Hattendorf of Palatine.

June 24 was also the birthday for another, and even BIGGER, Lake Villa beauty. Nine and a half pound (21") Jennifer Lynn was born at Victory Memorial Hospital to Mr. and Mrs. Peter Lehmann.

Jennifer Lynn was wel-

comed home by her eight year old brother Todd.

Maternal grandparents are Mr. and Mrs. Ivan Griswold of Waterloo, Iowa. Paternal grandmother is Mrs. Irene Lehmann of Antioch.

Arlene and David Strempel are the proud parents of a baby son Scott David born on June 6 at Victory Memorial Hospital.

Weighing in at 7 lbs. 2 oz., Scott David measured 19 inches at birth.

At home to welcome their new little playmate are energetic brother and sister, William who is seven years old and Sandra, 20 months old.

Grandparents are William and Louise Strempel and Francis and June Winkle, all of Evergreen Park.

MOTHERS OF TWINS CLUB HOLDS ANNUAL PICNIC

The Lake County Mothers of Twins Club is once again planning their annual picnic. The picnic is for members of their families in Bowen Park, Waukegan, Ill., on July 20 (rainday is July 27)

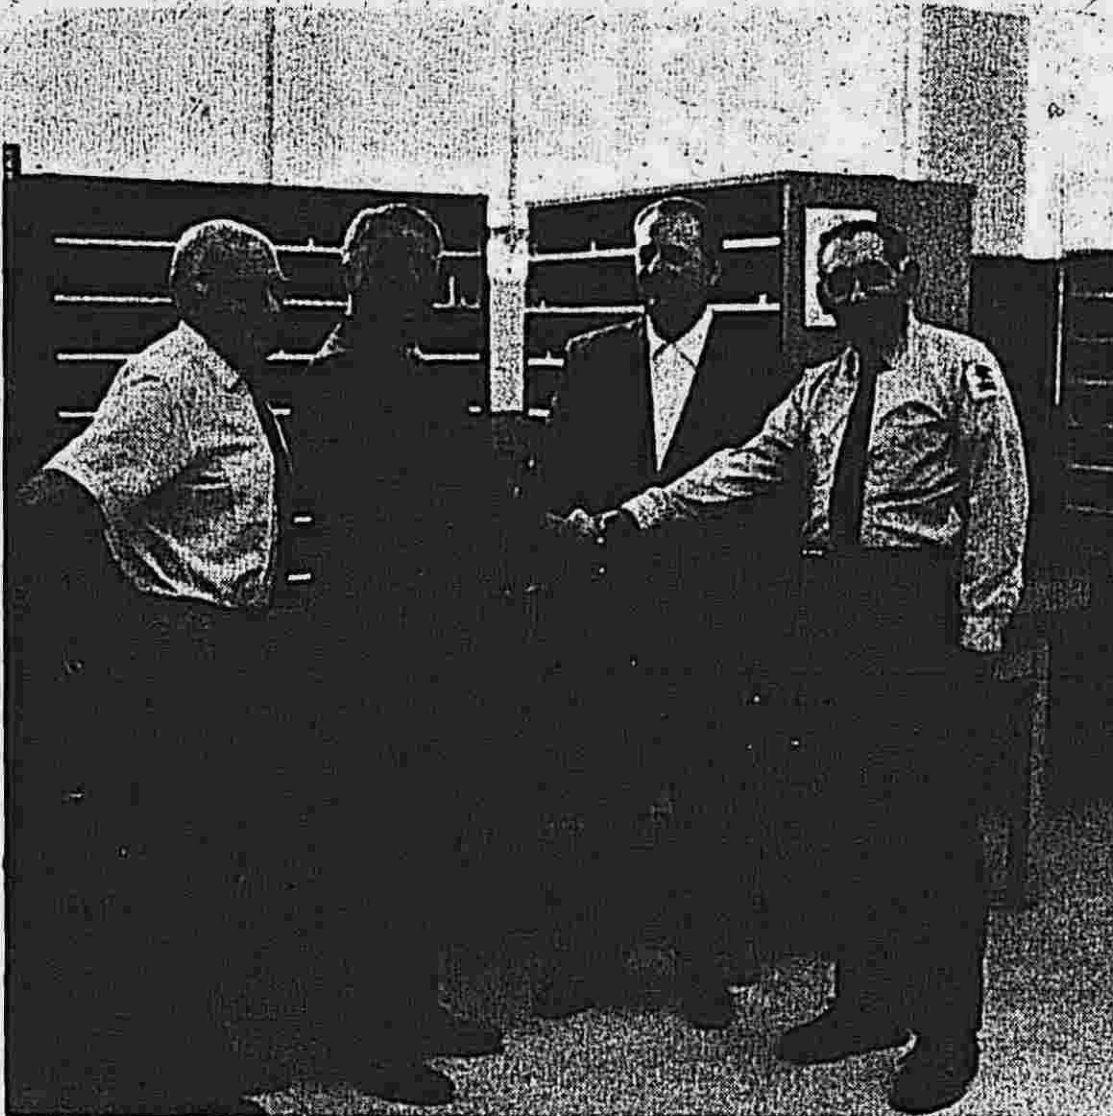

Members wishing to bring their family for lunch should pack their picnic for the family and be at the park at 11 a.m. Those wishing just to join in

with the fun, games, and prizes can plan to be there at 1 p.m.

Older children and parents wishing to swim should bring swim suits. There is an admission fee to the pool.

Here's hoping for a 100 percent turnout. If that happens we will have over 130 children present.

For further information call Judy Narrol, 945-9194, publicity chairman.

Clarence Kufalk, Assistant Postmaster (far left) and Antioch Postmaster Walter Barnas congratulate-retiring postal service employees R. J. Dolan (second from right) and Augie Burian.

Dolan, of 135 North Shore Drive, Lake Villa, entered the postal service on March 25, 1947. A resident of Salem, Wisconsin, Burian began his career on July 1, 1947. Not pictured is James Bruski of Rt. 2 Box 57, Antioch, who retires after 22 years of postal service having begun with the U.S. Postal Service on July 7, 1950.

(Staff Photo)

MILO CLUB Serves Buffet Dinner

A buffet supper will be served by the Milo Club of the Milburn Church on July 12 from 5 to 7 p.m. in Laurin Hall.

The Milburn Church is on Rt. 45 in Milburn. The public is invited. Proceeds will be donated to the Church building fund.

B-J Studio and Hahn JEWELRY

Wish to extend our congratulations to you upon your engagement and also in your decision to select your all-important wedding rings from Antioch's finest jeweler, Hahn's Jewelry and Gift Shop.

The B-J Rush Photo Studio, Antioch's award winning professional portrait studio, would like to present to you, at no cost or obligation, a beautiful glossy print to be used by your newspaper in announcing your engagement. This includes a complete studio sitting, with complete set of pre-views from which you may select your glossy print.

Best wishes in your future together.

Swedish Glee Club Hosts Plumbing And Heating Apprentices

Certificates of Completion of the five year apprentice plumber program conducted by the Plumbing and Heating Industry of Lake and McHenry Counties were issued to 12 graduates at the annual Apprentice dinner at the Swedish Glee Club recently.

Among those who have completed the five year apprentice training course and are eligible to take the State of Illinois test for licensing as Journeyman Plumber are locally: Lary Charlton, Rte. 4, Antioch and Edward Obenau, 314 Valley View Drive, Wildwood.

Completing the four year school, but still with time to complete the five year program was Andy Schell, 1404 Fox Trail, Lake Villa.

Children At Play

Now that school is out for the summer, motorists must be extra alert for children too intent on playtime activities to be as cautious as they should for traffic.

Ellen A. Furtkamp Appointed To Lake County Board Of Review

Ellen A. Furtkamp of 2716 Gilboa Avenue, Zion, has been appointed to the Lake County Board of Review as its Democratic member by the Circuit Court of Lake County, according to word received today from Judge LaVerne A. Dixon, chief Judge of that court. According to law, no more than two members of the 3-man Board of Review can be members of the same political party.

The other two members, Chairman Harry G. Robin of Ingleside and Chester D. Koxuchowski of Round Lake, are Republicans.

The Board of Review is the body to which taxpayers appeal, in the first instance, if they feel that their real or personal property has been improperly assessed.

Mrs. Furtkamp, the first woman to sit on the Board of Review since 1942, was recommended for that appointment by Herbert L. "Hub" Stern, Chairman of the Lake County Democratic Central Committee.

Here at last! Nature's Wonder Ingredient!

VITAMIN E CREAM

IN NATURAL WHEAT GERM OIL

Super-saturated with 15,000 I.U.s of Vitamin E per ounce. Recommended for wrinkles, lines, stretch marks and scars. Softens and moisturizes rough, dry skin.

Vitamin E has become the most talked about vitamin in the U.S. You've heard about it on major radio and television stations, you've read about it in magazines and newspapers from coast to coast. And such popularity has got to be deserved.

Now, do your own skin a favor. Use Hudson Vitamin E Cream daily... then check the results for yourself.

Hudson's Vitamin E Cream is available exclusively from your neighborhood Hudson-franchised pharmacy in one and two ounce jars at \$5.00 and \$8.50, respectively.

Hudson's NEW Vitamin E Cream in natural wheat germ oil. We know what it's done for other women. Now see what it can do for you.

Antioch Shopping Plaza

Along the Way with

Annie Mae

The fireworks are all over, now back to summer living. We had a few warm days this week to give us a taste of what summer should be. The cool mornings must be uncomfortable for the swim lessons and swim team.

Mrs. Kenneth Meyer Jr. was the guest of honor at a baby shower held at the Kenneth Meyer Sr. home in Antioch on Thursday, June 22. In attendance were about 40 relatives and friends and the expectant mother received many useful and lovely gifts. The junior Mrs. Meyer is the former Linda Sheehan.

Three future sisters-in-law presented Miss Sandra Pyles with a bridal shower on Sunday, June 25. Mrs. Judy Poulsen, Mrs. Karen Sheehan, and Mrs. Debbie Sheehan planned refreshments and games at the Jones Beach Pavillion in Grayslake and Sandy was certainly showered with many things to begin housekeeping after her July 22 wedding.

Mrs. William Walker, 52 year Lake Villa resident, will be moving from the area soon. She and her husband owned a farm on Grand Avenue near Deep Lake Road for many years. Her many relatives and friends wish her happiness in her new home.

Pat and Wayne Polsgrove and son Mike just got back from a two week vacation. To show it is a small world, while waiting in line at Disney World in Florida,

who should be behind them, but the Meuter family. Also while on their trip they ran into people they knew from North Chicago.

Happy birthdays this week go to Homer La Plant who celebrated on the 4th (with a bang) to Dave Rush who will be "Sweet 16" on the 6th, also to Donna Gutowski and Donna (Yopp) Coffill this week. First Birthday wishes go to Elizabeth Ann Glenn on the 11th and Stacey Spittle on the 12th.

Anniversary wishes go to Mike and Sue Haley on the 10th.

Gary Rush leaves for Annapolis today, the 5th. He will be sworn in on the 6th, the day his brother Dave is 16. We won't soon forget that day. His family is proud of him and will miss him.

Last Thursday night, June 29, a bridal shower was held for Miss Sherry Thompson of Lindenhurst. The party was held in the Lindenhurst Civic Center, with many friends of the bride in attendance.

Don't forget to bring your children to the library on Saturday mornings at 10:15 a.m. for free movies.

On the 8th, the Little League will be serving pancakes at the United Methodist Church from 7 a.m. to 1:30 p.m. Have a meal out and help the Little League at the same time.

See ya over the syrup

Annie Mae

Light Load For H.S. Board

Business was unusually light for the Antioch High School Board at their June 28th monthly meeting.

In this, the lull following the defeat of their third referendum bid, the board first cleared their agenda of matters regarding personnel.

The board accepted the resignation of Mr. Willis Parker, formerly the freshman basketball coach. Parker listed his reasons for leaving as the decreased opportunity for coaching due to recent budget cuts. He has accepted a position at Wauconda High School where the prospect for a coaching assignment is brighter.

Mrs. Beatrice Lipski was rehired for a position in the Language Arts Department. As an untenured teacher she was in jeopardy of not being re-assigned, but a position opened

making her new contract possible.

In one other personnel matter Mrs. Theresa Ann Bohall was named to the post of school nurse. Mrs. Bohall will replace the retiring nurse, Mrs. Cathleen Gaastra.

In order to keep abreast of proposed housing developments in the district, Superintendent Warren Polley named Arthur Blecke, Larry Fears and Glen Moore to act as a liaison team between the board and developers. For their first task, the three will confer with Lindenhurst Mayor Raymond Flanagan. Lindenhurst is now the site of two such proposed developments.

As one of their final decisions of the fiscal year, the board approved a \$.05 hike in the hot lunch price. A noontime repast will now cost \$.45.

DRIVING SCHOOL OPENS ... FREE CLASS OFFERED

Lake County's newest addition to the public service scene is the establishment of the largest driving school in the midwest, the Easy Method Driving School with executive offices in Chicago.

Inspired by the tremendous response in the massive Chicago community, and encouraged by the general public's confidence and acceptance, Easy Method Driving School has embarked on an expansion program that will encompass the major areas of the State. Schools will be established in all major cities which will service also all surrounding smaller communities.

The Lake County branch is now in operation at 307 W. Washington in Waukegan.

Residents of Lake County wishing to learn to drive are invited to attend a free two hour class on "How To Pass Your Written Drivers License Examination" to be conducted Tuesday evening, July 11, 1972 from 7 to 10 P.M. at 307 W. Washington in Waukegan. The

ILLINOIS DRIVERS FAIL LICENSE TEST

Under a State law, which went into effect Jan. 1, 1969, all of Illinois 6.6 million drivers will be retested by 1978. During the first year, 81,714 drivers failed the written exam and about 14,900 motorists lost their licenses after failing the examination three times. Experts explain - "Some people think that just because they've been driving for 10, 20 or 30 years, they don't have to know the new Rules of the Road. They figure they know it all. Then, when they take the tests, they get the shock of their lives." If your license expires within the next year, you may be one of the many thousands that will be re-examined.

Now there is good news if you're nervous about taking the written examination. You can now purchase your own sample self-scoring test paper, complete with questions, answers and road signs to help you pass the State exam on that important day. Introductory price just \$6 plus 75 cents handling. (Check or money order only). Mail to:

Easy Method Driving School
5300 N. Milwaukee Ave. Dept. 450
Chicago, Ill. 60630

Adults or teens who need help in learning to drive are invited to make inquiry by calling Collect

775-5700

class is sponsored by Easy Method Driving School and there is no admission fee or obligation.

Easy Method Driving School brings to the area over 37 years of teaching experience in the State of Illinois. The school's motto is "Professionalism to the highest degree." All teaching personnel are licensed by the Secretary of State and the school is also approved by the Office of Public Instruction to conduct the youth program in the State for those persons

under 18 years of age.

Adults who need help in learning to drive are invited to make inquiry by calling 775-5700 collect.

Pull Over During Storm

Summer rainstorms can be pretty bad as most everyone knows. The Chicago Motor Club-AAA urges motorists to pull over to the side of the road and wait out the storm rather than try and drive through a blinding rain.

american legion auxiliary news

by Del Jahneke

The Department Convention of the Illinois American Legion and the Auxiliary will be held in Chicago July 13-16. The legionnaires will meet at the Palmer House, with Department Commander Ed Schalk of Chicago conducting their sessions. Headquarters for Auxiliary members will be the Sherman Hotel, and State President, Mrs. Firman Hendricks of Cerro Gordo, will be presiding at all meetings. Auxiliary Convention sessions will start Thursday, July 13th, at 9:30 a.m., with the colorful processional of hundreds of American Flags and Auxiliary Flags, and the posting of these colors. With the exception of a few events, most proceedings will take place in the Grand Ballroom. Some 1,500 delegates are expected to be in attendance, with some 500 guests.

Introduction of guests from other patriotic organizations and some of the committee reports are on Thursday's agenda. That evening, the Unit dinner will be held at 6:30 p.m., and it is always a gala affair with special entertainment.

Convention convenes at 8 a.m., Friday, July 14th, with more reports, citations and awards presented to winning contestants in the various program contests. This session ends at noon. The Department Past Presidents' Parley Luncheon will be held at 12:30 p.m. in the Bal Tabarin. At that time, some 15 or 16 high school graduates will be presented

with \$500.00 nursing scholarships, made possible through this program. Also, a gift of \$1,500.00 will be given for the maintenance of the Veterans' Craft Exchange.

Election polls will be open, with regulation voting machines, from 1:00 to 6:00 p.m. Friday. The Department Music Contest will be held at 2 p.m., for both senior and junior choral ensembles of trios, quartettes, sextettes and choruses. Location for this contest to be designated at a later date.

In response to many requests, the parliamentary procedure class will start at 2 p.m., with Mrs. George Wardke conducting the class. Mrs. Wardke is the State Parliamentarian.

A particularly festive occasion is planned for the Auxiliary's most honored guests, the Gold Star members, in the form of a Tea, at 4 p.m., Friday, in the Randolph Room. Eligible to attend are Gold Star members, and those women serving as Gold Star Chairmen on the unit, district, division and state levels.

The Rehabilitation Service Forum for the American Legion and the Auxiliary, the Volun-Teens and the Sons of the American Legion will start at 7 p.m., Friday, in the Grand Ballroom of the Sherman Hotel. Veteran men and women patients from Hines Hospital will again present a program of entertainment that cannot be equalled anywhere. There will be other interesting and exciting features, including a

"capping ceremony" when all new volunteers both Legion and Auxiliary, will be capped and honored.

Highlight of the Saturday morning Session will be the address of Mrs. Robert L. Parker of Tablequah, Oklahoma, National President of the American Legion Auxiliary. Mrs. Parker has had a most successful year as National President, with the membership enrollment close to a million members.

Other distinguished guests will be the Premier Boys' State Governor and Illini Girls' State Governor, who will give brief speeches.

Saturday afternoon will be the installation ceremony of the newly elected state officers. Mrs. Victor Lello of Chicago will be the new State President. Mrs. Ray Rathmann, Antioch, will also be installed as 2nd Division President. And Mrs. Everett Ainsworth of Lake Forest as 10th District President.

The Department Convention Banquet honoring Department Commander Ed Schalk and Department President Mrs. Firman Hendricks, will take place in the Grand Ballroom of the Palmer House at 7 p.m., Saturday. This is an enjoyable and elegant affair with entertainment after the banquet.

On Sunday, July 16th, the Convention is concluded with a three hour parade down Michigan Boulevard, starting at 1 p.m. There will be hundreds of marching units from throughout the state, drum and bugle corps, floats, etc. A fitting climax to a fine Convention.

Representing the Antioch Unit will be Mrs. John L. Horan

Social Notes

by: Del Jahneke

Congratulations are certainly in order for Carolyn Wilson, the daughter of the Lyle Wilsons, 367 Hardin Street, Antioch! She won an Honorable Mention Award from the Northern Illinois Gas Company in their recent Environment Poster Contest for elementary schools. Carolyn was fourth grade student at the Antioch Community Grade School when she entered the contest. This poster contest, highlighted artwork and ecology slogans, and was for students in elementary grades one to four. Judges included experts from the Clinton E. Frank Advertising Agency, Oxford Films, Inc. and the Chicago Sun-Times newspaper. Nearly 5,000 posters were entered in the competition. **KEEP UP THE GOOD WORK, CAROLYN-ANTIOCH IS PROUD OF YOU!**

The Bernard De Vries family, Trevor Road, Antioch; enjoyed a superb weekend camping at Egg Harbor, Door County, Wisconsin, and visiting Washington Island. They especially enjoyed the beauty and peacefulness of Washington Island. However, they almost felt as if they had never left Lake County as they met people from Libertyville, Wadsworth

and Mrs. Edward Jahneke. Mrs. Ray Rathman will also be present, but will be attending the convention as 2nd Division President.

and Waukegan. The four De Vries daughters and two sons-in-law, the Robert Janunas of Waukegan; the Dan Martins of North Chicago; Dianna and Colleen; treated "Mom and Dad" to a delicious dinner at the Sheraton Inn, Waukegan, last Saturday night, as an additional gift for their parents' silver wedding anniversary. Daughter Dianna just returned from a week at the Pottawatomie Hills Girl Scout Camp in East Troy, Wisconsin. Betsy Doty of Antioch accompanied her. Now, Colleen is staying at the Singing Hills Girl Scout camp at Elkhorn, Wisconsin for this next week. The DeVries family are one busy family!

Since this columnist found she was unable to attend the lovely Lynne Francisco-Terence Archer wedding on June 21st, she was pleasantly surprised the next evening by a visit from the mother of the bride, Barb Francisco (Mrs. Don, Jr. of Boca Raton, Fla.) Hearing all about the wedding was the next best thing to seeing it! **MUCH HAPPINESS IS WISHED THE BRIDE AND GROOM!**

The Drom family held their annual family reunion pot luck party at the Trevor Social Center, Trevor, Wisconsin, with 47 members present on June 25th, 1972. Nearly everyone there have or had their family ties rooted in the Antioch area, so most names will be familiar to long-time Antioch residents. Heading the list of Antioch residents were Mr. and Mrs. Floyd Horton, Miss Edna Drom,

Moose News

Brother Lester Sperling attended the Moose Convention at Moosehaven in Florida last week at which time he received his Fellowship Degree.

The Fellowship degree is awarded with the approval of Mooseheart. First the Brother must be an active member of the lodge, he must be a member of the Legion, and must be nominated by the other Fellows of the Lodge.

Les attended the 25 Club dinner on Tuesday which had many members enjoying dinner. During the "Go Getter" campaign Les was awarded a razor for sponsoring 24 new

members in one year.

Les, as Membership Chairman, would like to announce the new drive slogan "Make it a Million". The Loyal Order of Moose now has approximately 965,000 members and the goal for this year is one million.

Brother Art Anderson has received his commission as the new Herder of the Northeast Legion 169. Congratulations Art.

Art and Elizabeth and Anderson have just returned from a sight-seeing tour around the lakes and into Canada.

Pat Sperling, wife of Brother Lester Sperling, has a birthday July 19, 1972 so Happy Birthday Pat.

The Northeast Legion Officers Meeting is scheduled for July 15, 1972 at Wauconda.

The Northeast Legion 169 Booster Meeting will be at the Antioch Lodge, August 6th, at 2:30 p.m.

The Antioch Lodge held an enrollment of new members at their Wednesday night, June 28th meeting. The Ritual was performed by the Antioch Ritual team consisting of Dick Jorgenson, Art Anderson, Glen Wetherbee, Lee McKinney, and Henry Grewe. The five new members enrolled were: Jack Runge sponsored by Les Sperling, Mario Maglio sponsored by Al Ballenger, Norman D. Schlejel sponsored by R. Stanek of Woodstock, William Bock sponsored by Bob Bock, and John Brondei sponsored by Ed Kurtz.

There were two re-enrollments, Frank L. Schultz sponsored by Lee McKinney and Clifford Laursen sponsored by Ray Laursen.

DON'T FORGET the dance to be held July 22, 1972 from 9 to 1 a.m. with door prizes and refreshments. Music by the Frank Cuden Trio with Art Smejkal at the drums. All this for only a \$1.00 donation.

Brother Ted Lewandowski is in Victory Memorial Hospital, get well wishes are sent to you from all of us at the LOOM.

The Sing-A-Long with Judy Page held Saturday, July 1, 1972 was a huge success. Everyone enjoyed the singing, popcorn

and interesting conversation.

Max Wetherbee is now home recovering after his stay in Victory Hospital.

Since Publicity Chairman, Al Ballenger, will be on vacation for the next two weeks and will be unable to write the articles please hold onto any items until that time.

The 3rd District Meeting is scheduled for July 8, 1972 at 7:30 p.m. at Woodstock. Ladies are invited. Speaker for the evening will be Martin Landini, his topic will be "State Member Activities".

LAST CALL FOR ST. PETERS BLOOD BANK DONORS

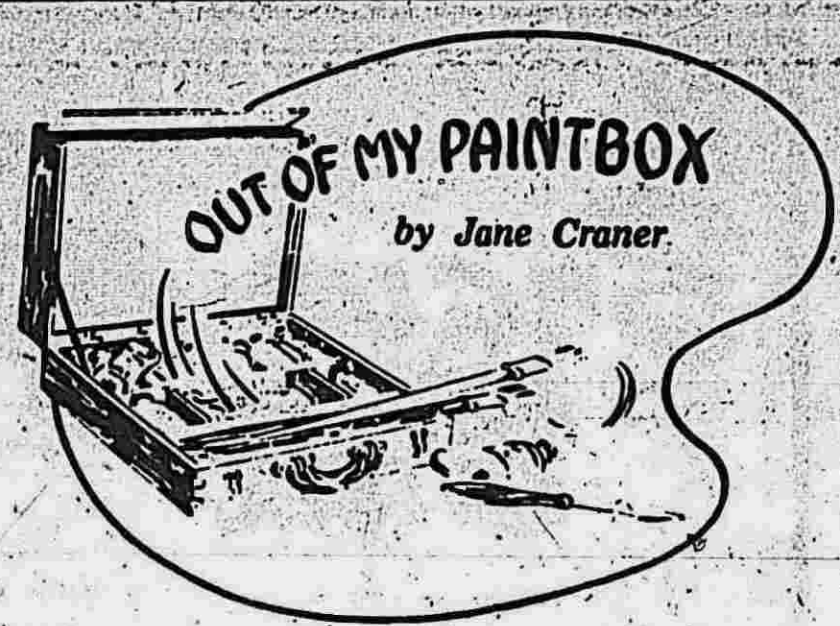

HELP! HELP! Fifty more donors are needed to reach the parish goal.

St. Peter's Parish would like to establish the Group Assurance Blood Plan. On this plan, one member of a household donates just one pint of blood a year, and any member of that household may receive as much blood as necessary during that year without a blood fee or a blood replacement. It is a fabulous opportunity that no family can afford to pass up.

The Red Cross Blood Mobile is scheduled to arrive at St. Peter's Social Center on Sunday morning, July 16. Donors will be notified next week of an appointment time for hours between 9 a.m. and 2 p.m. on July 16.

If for some reason, a pledged donor cannot give blood on July 16, he may donate his pint of blood at any blood donation center on a day convenient to him and give St. Peter's code number. This would transfer the pint of blood to St. Peter's account.

Committee members will be at the Church exits after the Masses this weekend to recruit donors. For further information call: Mrs. Thomas Aschbacher at 395-0226.

YOUR SKETCHING NEEDS...

ease and speed: ease of carrying the equipment and ease of executing the sketches; speed of assembling the equipment and speed in executing the sketches. All equipment must be lightweight, for you must be prepared to tote it any distance. You will need a small light weight stool for the best spots never have a convenient rock or log to sit on. Sunglasses help eye strain if you must choose a sunny location.

Here is a list of supplies you can assemble, keeping in mind each item should be as small as you can manage and as simple. 12" x 16" 1/4" thick masonite lap board

4 spring type paper clips to hold paper on board

A variety of 11" x 14" paper (A spiral bound sketch book or as I prefer, a cloth bound sketch book which is a permanent type for the pages are never removed. Either of these can be used in place of or along with the lap board, clips and paper.)

Pencils: 3H, HB, 4B, & a 4B charcoal pencil

Erasers: Art gum, pink pearl,

and a kneaded

Razor blade: for sharpening pencils

Crayons: 24 color set

Black fine point nylon-tip marker, or

A bottle of black ink: screw top for safe carrying

A pen holder and flexible point

Water colors: 8 colors, pan type

A palette: TV dinner tray

Water bottle: a small plastic dish detergent bottle

Soft colored pencils

And a set of water-color felt markers

A small spray can of fixative

Insect repellent

All these items should then be assembled in some kind of light weight tote bag. I have seen some cleverly made canvas bags with pockets to hold everything in a neat orderly fashion. The approximate weight of all is about 7 to 8 pounds. Your "portable studio" is now ready at a moment's notice to take care of any inspiration on your sketching trips.

Happy sketching,

Next week: HOW TO SKETCH

Royal Neighbors To Hold Initiation

The Royal Neighbors Olson Camp 59 met at the American Legion Hall on June 27th. The flag was brought in by Ida Kufalk and all said the Pledge of Allegiance.

All officers were dressed in white long dresses and the initiation took place.

The following were initiated:

Ann Carpenter, Ramona Pyzyna, Thelma Buhrow, and Jennifer Huber.

The hostess for the evening were Gladys Wilton and Adah Nicholas who served a very delicious dessert.

Cards were played and the next meeting will be July 11th at 7:30 p.m.

TONY & LILL'S

With all the claims and gimmicks that are thrust upon us, it is indeed refreshing to be greeted by owners who cater to their patrons with pride and enthusiasm.

Such a place of business is TONY AND LILL'S.

The Lommas have avoided live entertainment or other such gimmicks. They have centered their efforts on the fine family style food and atmosphere of their restaurant located one mile south of Antioch on Rte. 83.

The menu at TONY AND LILL'S is much more than just adequate. Steaks, seafood, Italian specialties and pizza are all prepared and served with true family pride.

The kitchen at TONY AND LILL'S specializes in preparing your filet, porterhouse or t-bone to your personal wishes. Prices are very reasonable and the size of the cuts will delight those with a hearty appetite.

Seafood takes no backseat at this fine family restaurant. Shrimp and lobster of generous size, along with ocean perch and other sea favorites make the menu an experimenters delight.

The Italian heritage of the Lommas is evident in their rich selection of Italian food. Mostaccioli, Chicken Cacciatore, Chicken Vesuvio, Veal Scallopine and the ever present Italian spaghetti (made eight different ways) make this portion of the menu a must.

A fine relish tray that features homemade Cannolis, Antipasto and other standbys has also been well received.

Pizza is a real treat at TONY AND LILL'S. All ingredients: dough, sausage, sauce and garnishings are homemade and make for a truly fresh pizza.

Everything on the menu at the comfortable restaurant is available for carry-out. A phone call in advance will assure you a great piping hot dinner ready and waiting.

To go along with their family style atmosphere, the Lommas have helped ease the battle of feeding a large family. They offer a special price for family style dinners, up to six, that feature a huge platter of food.

TONY AND LILL'S also features a daily special at very reasonable prices.

The lounge adjacent to the restaurant features a fine selection of wines of your choice and can fill any of your cocktail requests. Michelob and Lowenbrau head a list of fine premium beers served.

For fine food served in a warm and inviting family atmosphere, try TONY AND LILL'S

Carl Abbate (left) of Don Pittman Pontiac Motors Inc. stands alongside the new Sabaru Sport Coupe, winner last weekend of the trophy for class elimination in the XFE Class at Great Lakes Dragway in Union Grove, Wisconsin.
This car is completely stock and has a top speed in the 1/4 mile of 78 mph. It does the 1/4 mile in about 18 seconds. Next to the 80 horsepower, 4 cylinder street car which sports a 4 speed transmission is driver, Dick Maston. (Staff Photo)

ORGANIZE CITIZENS GROUP

A new group of Lake County citizens have called an organizational meeting for July 14, 8 p.m. at Grayslake High School, Grayslake.

Main purpose of the group is to keep Lake Countians abreast of happenings in the county through communications along with a guidance and advisory board to assist citizens who become concerned about events as these events concern life in Lake County.

The group is non-partisan, open to all citizens of the county. Residents of every town and township in the county are invited to attend and become members. No fee for membership.

Nate Naden, Hickory Dr., Gurnee, will chair the meeting. Naden says the meeting will explain the reasons for the organization, set up a temporary structure, and discuss disseminating information to Lake Countians.

Mrs. Pat Stagg, Lake Villa, in explaining the reason for the organization said, "Perhaps the biggest incentive toward involvement with county issues has been the disturbing attitude toward the magnitude of high density planning with the county's ordinance on Planned Unit Developments (PUD) and annexation of county property for PUD's."

"With no regard for a total environment, these developments are showing themselves to be a sad extreme, instead of what they were originally intended and that was to retain orderly growth with open space."

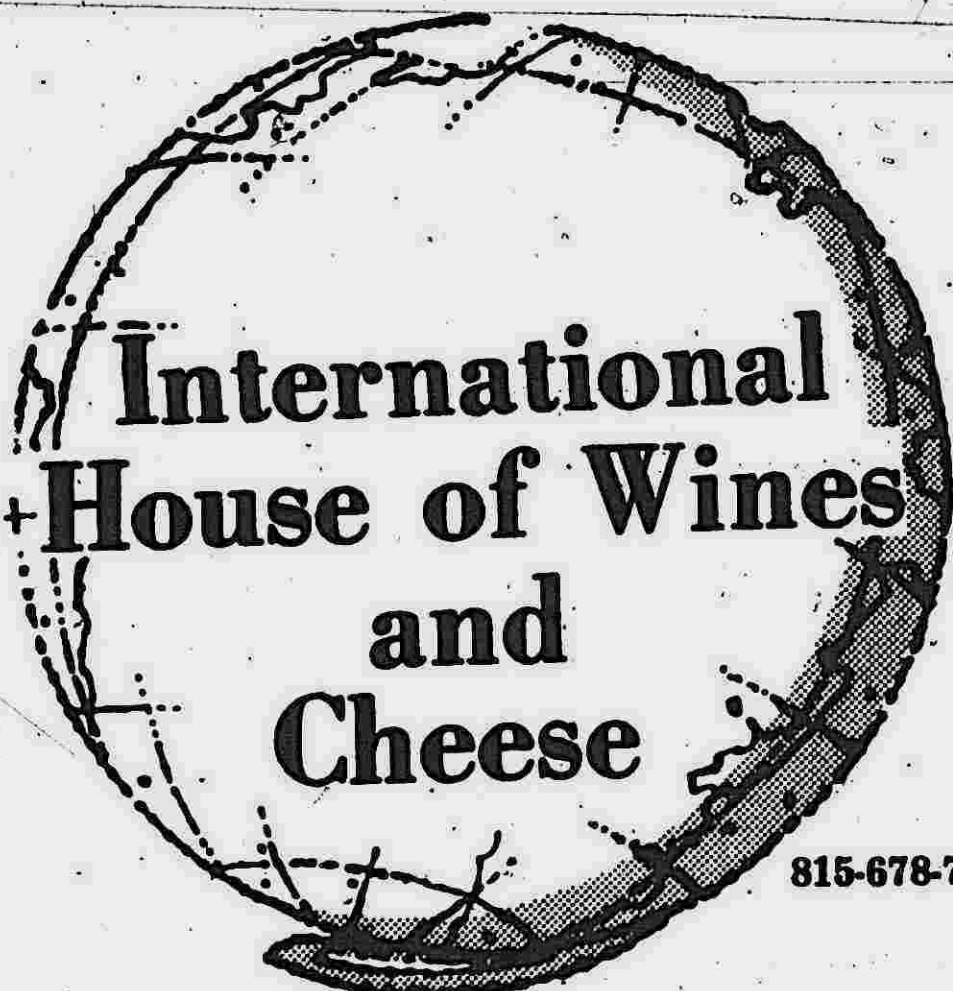

"People in their concern for preserving a decent quality of life are now looking for a more improved method of planning for both the municipalities and the open spaces of the countryside."

Though I Walk Through The Valley

Though I Walk Through The Valley, a new and very different motion picture, will be shown at the Antioch Evangelical Free Church at 7 P.M. on July 9, 1972.

This film is unique in that it tells in motion picture the last six months of the life of college professor Tony Brouwer.

Tony Brouwer had terminal cancer. Unexpectedly he and his family faced new questions, new fears as death confronts life and is the loser. Filmed to show the warm tenderness a Christian father has for the family he must leave behind, it

also displays the love and courage of his wife and daughters as they learn to "walk through the valley of the shadow of death."

Though I Walk Through The Valley is not the typical deathbed story, nor is it aimed at the tear ducts. It simply illustrates how a man can live his life so that when death comes he can meet it as a friend tenderly and gently in Christian hope.

The film was produced by Mel White and is being released through Gospel Films, Inc. of Muskegon, Michigan.

Christ Lutheran Holds Vacation Church School

A mid-summer Vacation Church School is set for July 10-14 and 17-21, Mondays through Fridays, 9:00-11:30 a.m., at Christ Lutheran Church, Highway 50, Paddock Lake. All area youngsters, kindergarten through Grade Six, are welcome.

Called "My God, My Faith, My Life," students will be exposed to a wide range of learning experiences, from Bible study to group handwork projects. The emphasis is on developing a living relationship with God and sharing this "Good News" faith with others.

The School concludes on Friday, July 21, with a day-long trip to Lutherdale Bible Camp near Elkhorn for swimming, hiking, outdoor worship and a picnic.

Parents are asked to register their children now by phoning 843-2207 or 843-2631. While there is no charge for the Vacation Church School, support for the \$2.50 cost per pupil is appreciated.

Christ Lutheran Church is a 9 year old "mission" congregation of The American Lutheran Church. The Reverend Philip Borleske is pastor.

METHODIST CHURCH TO HOLD VACATION BIBLE SCHOOL

The United Methodist Church in Antioch will hold its annual Vacation Bible School classes July 31st through August 11th this year. It will be for kindergarten thru 6th grade children and last from 10:00 a.m. to 12 noon. The general theme for study will be "God's People Must Choose" and each class will take a special branch of that theme. The kindergarteners will study, "Love One Another", the first and second grade, "Hi Neighbor", the third and fourth grade, "We Need Each Other", and the fifth and sixth grade, "Choose!". You can sign your children up for Bible School any Sunday after church in the office. If you have any questions call Joan Olson, 395-3265. Hope to see alot of you there!

Christian Science Churches

In Mark we read of the crucifixion of Jesus, and his resurrection. In the Lesson-sermon entitled "Sacrament" this Sunday at First Church of Christ, Scientist this citation from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy will be read: "Through all the disciples experienced, they became more spiritual and understood better what the Master had taught. His resurrection was also their resurrection. It helped them to raise themselves and others from spiritual dullness and blind belief in God into the perception of infinite possibilities."

Services at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, Illinois begin at 11 a.m. Everyone is invited to attend.

Dan Walker To Attend Democratic Picnic

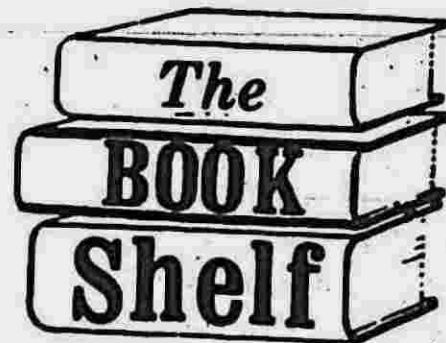

Dan Walker, the Democratic candidate for governor, Roman Pucinski and Dean Barringer will attend the Democratic Family Day picnic scheduled to be held at the Serbian Monastery north of Libertyville on Sunday, July 9.

"The picnic will be from two to six, and we are indeed honored that Dan Walker will be with us throughout most of the afternoon," Jean Montrimas, chairman of the picnic, said.

"We will have some speeches, she added, "and Dan Walker will, of course, be our principal

speaker."

Dan Walker's plan to attend the affair was announced at a Democratic Central Committee meeting held Thursday at the V.F.W. Hall in Waukegan. Also announced at the same time was a planned softball game between the Dan Walker Walkers and a pick-up team calling themselves the Lake County Democrats. County Clerk Grace Mary Stern and County Democratic Chairman Herbert L. "Hub" Stern, are expected to be members of that team, Mrs. Montrimas said.

NEW HOPE FOR INCURABLE DISEASES by Emanuel Cheraskin and W. M. Ringsdorf, Jr. Citing recent medical discoveries the authors outline treatments for such diseases as multiple sclerosis, alcoholism, glaucoma and schizophrenia.

HOW TO LIVE WITH A NEUROTIC HUSBAND by Stephen Baker. When does a husband become neurotic? The day after the wedding, when he realizes that like so many of his married friends-he has a wife. The discovery leaves him in a permanent state of shock.

ILL. WESLEYAN DEAN'S LIST

The Dean's List for the second semester of the 1971-72 school year at Illinois Wesleyan University included 602 students, the most ever named, Dr. John L. Clark, dean of the university, announced today.

The total is 182 higher than for the same semester in 1970-71.

To be placed on the Dean's List, a student must have earned a grade-point average of at least 3.250, based on 4.0 for all a's, during the semester.

Area students named are: Christine Johnson of Rt. 1 Antioch, and Janet Polsgrove, 587 Main Street. Those named from Lake Villa are Diana Lou Colbert, 1012 N. Nathan Hale and Donald Clare Sherwood, 182 W. Grand.

SIU DEAN'S LIST

Slightly more than a-fifth of Southern Illinois University's undergraduate students won Deans' List recognition for academic work during the spring term, according to the SIU office of Admissions and Records.

The quarterly list includes students who recorded at least a 4.25 grade point average on SIU's 5.0 scale, while taking at least 12 hours of studies.

Area students named are Kathleen Kelly, Rt. 2 Box 167, Antioch; Steven Strang, PO Box 15, Antioch; Emilie Dorothy Tagge, RR 2 Box 384, Lake Villa; Thomas Tully, 519 Twin Oaks Drive, Lake Villa; James Friis, 140 Rose Tree Lane, Lindenhurst (straight "A"); and Theodore Griszecski, 1707 E. Hickory Court, Lindenhurst.

WENDY JENSEN- CHERYL RECKERS NAMED TO PRESIDENTS LIST

Two Antioch students have been named to the President's List at North Central College in recognition of their scholastic achievement during the spring term of 1971-72 academic year. They were among the 144 students named to the list by Dr. Arlo L. Schilling, President of the College.

They are Wendy P. Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 First St.; and Cheryl L. Reckers, daughter of Mr. and Mrs. Preston J. Reckers, Jr. 466 First St.

To be eligible for the President's List, a student must be enrolled for at least 2.5 course units during the term and earn a grade point average of at least 3.700 for that term or a cumulative average of 3.500. Grade Points are awarded for completed course work on the basis of four for an "A", three for a "B", two for a "C", and one for a "D".

PETTY OFFICER WHITTEN ABOARD USS DULUTH

Navy Petty Officer Third Class John H. Whitten, husband of the former Miss Alice M. Scanlan of 1028 Main St., Antioch, Ill., is serving aboard the amphibious transport USS Duluth, whose helicopters rescued two downed Navy pilots from Haiphong Harbor in North Vietnam.

His ship is homeported at San Diego, Calif.

AREA STUDENTS ON DEAN'S LIST

Bruce W. Carlson, freshman at Augustana College, Rock Island, is included on the Dean's Honor List for the spring quarter.

Carlson is a son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Ln., Antioch.

Susan Marie Sander, Junior at Augustana is also included on the Dean's Honor List for the spring quarter. She had a grade point average of 4.00 (all A's).

Miss Sander is a daughter of Mr. and Mrs. Larry Hagen, Rt. 1, Spring Grove.

TWO ANTIOCH YOUTHS TAKE YOUTH CONSERVATION WORKSHOP

Forty-eight high school students from 32 Illinois communities are participating this week in a Youth Conservation Workshop at Western Illinois University.

Among them are Frank Pleviak of Cedar Avenue in Lake Villa, and Carol Smith of Rt. 2, Antioch, both students at Antioch Community High School.

The workshop is being sponsored by Western's Continuing Education Office and the department of agriculture, in cooperation with the Office of the Superintendent of Public Instruction.

The program includes the discussion of the conservation of human resources, fish resources and management, soil and water conservation, strip mining and land reclamation, forest resources and conservation.

Highlights of this week's program have included: a demonstration of equipment at the East Fork of the Lamoine River by the fisheries division of the Illinois Department of Conservation; a day-long field trip to study soil and water conservation and a visit to the Metropolitan Sanitary District of Greater Chicago's Fulton County project of reclaiming strip mined lands; and a visit to WIU's Frank J. Horn Field campus.

College Chat

Karen Sheehan

In two years you may be visiting a youth club or coffee house, even a drug center, near Evanston - only to find Glen Bocox as the young director. He'll be receiving a full year's credit toward his Master of Divinity degree from Garrett Theological Seminary in Evanston.

But starting this fall Glen has two years of extensive studying before he gets into the practical experience phase of his post-graduate studies.

If someone were just to tell me they'd be required to study French, German and Greek in preparing for his profession, I'd never guess it to be Glen Bocox's intended career. But when studying to be a minister

there is more involved than meets the eye.

This fall Glen will be enrolled at Garrett Theological Seminary living in Evanston with his wife Sue and beginning work on his ambition of being ordained by the Methodist Church.

A 1968 graduate of Antioch Community High School, Glen received a B.A. degree in economics this spring from Oberlin College. He was just one course short of combining religion for a double major. A B.A. is required in order to enter the seminary but Glen comments that most schools prefer that the B.A. not be in religion. A strong background in sociology or psychology is useful.

"I'm sure I'll work as hard as anyone working toward a Masters," Glen comments as he faces two years of intense study of many related topics including biblical and world history and several languages. Greek being required.

His third year at Garrett Glen will find himself setting up an drug center or other aid program. Part of the program at Garrett includes practical experience in his field and each candidate for the Masters degree must set up some type of social aid program and carry it through for one year.

An interesting point about seminaries is, as Glen points out, that although Garrett's affiliation is with the Methodist Church, "any denomination may attend Garrett and fulfill the requirements of his own ministry." One must only present his Master of Divinity to

be ordained a minister in the church he wishes to be affiliated with.

It seems this avid student could go on forever propounding the merits of his future occupation. "I'd like to encourage anyone else to take up this profession. I think I'm the only ACHS graduate to go this route. In fact," he said, "if anyone is interested, there are a couple of other similar programs for those desiring to work with the Church without being ordained."

The Master of Christian Education degree prepares religion teachers and those who plan to be full time youth directors.

A two year program, the Master in Christian Music prepares directors for large city choirs and related professions.

After three years, with a Master of Divinity degree, Glen may choose to enter the parish ministry. However, if all goes as planned, a Ph.D., while entailing at least one and a half to two years of study, and gaining a working knowledge of French and German, remains the prerequisite to becoming a bishop or district superintendent. As a district superintendent, Glen would coordinate the drug centers, nursing homes and all of the church's facilities in an entire area.

With many years of studying already behind him, Glen says his goal now is to terminate his education, but not before giving all he's got to attaining this goal of becoming a part of the ministry of the Methodist Church.

MARY C. QUIRK HONORED AT ST. FRANCIS HOSPITAL

Saint Francis Hospital of Evanston honored 121 area residents for loyalty and service at the recent Employee Service Award Presentation and Dinner.

Sister Mary Alfreda, O.S.F., president and chief executive officer of the hospital, presented awards to 102 full and 19 part-time employees. The awards were for service ranging from five to 25 years.

Elevera Dressler, recipient of the Employee-of-the-year award, was guest of honor at the dinner.

Among those receiving awards was Mary C. Quirk of Antioch for 10 years of part-time service to the 505-bed teaching hospital.

R.F. LIDEMANN ENLISTS

Robert F. Lidemann Jr. was recently enlisted in the U.S. Army by SGT. James at the Army recruiting office, located at 11 West Hawley St. in Mundelein. Robert enlisted under the Unit of Choice enlistment program.

After taking complete mental and physical testing to qualify for the assignment he wanted, Robert chose the 101st Airborne Division.

This choice was guaranteed to him before he enlisted and after completing eight weeks of basic training he will report to Ft. Campbell, Kentucky for training with the 101st as an Armor crewman.

Robert and his parents, Mr. and Mrs. Robert F. Lidemann reside in Lake Villa.

SGT James, the local Army recruiter, went on to say that other young men and women interested in this school or any other training the Army offers should contact him at his office, or call, 566-9530.

JAMES RAMAGE SWORN IN AS SECOND LIEUTENANT

Among the 97 national guardsmen and Army reservists sworn in as second lieutenants at ceremonies at Camp Lincoln in Springfield on June 27 was James A. Ramage, Rt. 5 Box 505, Antioch.

The graduate address at the Illinois National Guard Officer Candidate School was delivered

CAROL WESTLUND GRADUATES MSU

Carol Westlund, daughter of Mr. and Mrs. Ernest Westlund of Antioch was among 4,345 candidates for bachelors degrees at the June 11 commencement exercises at Michigan State University.

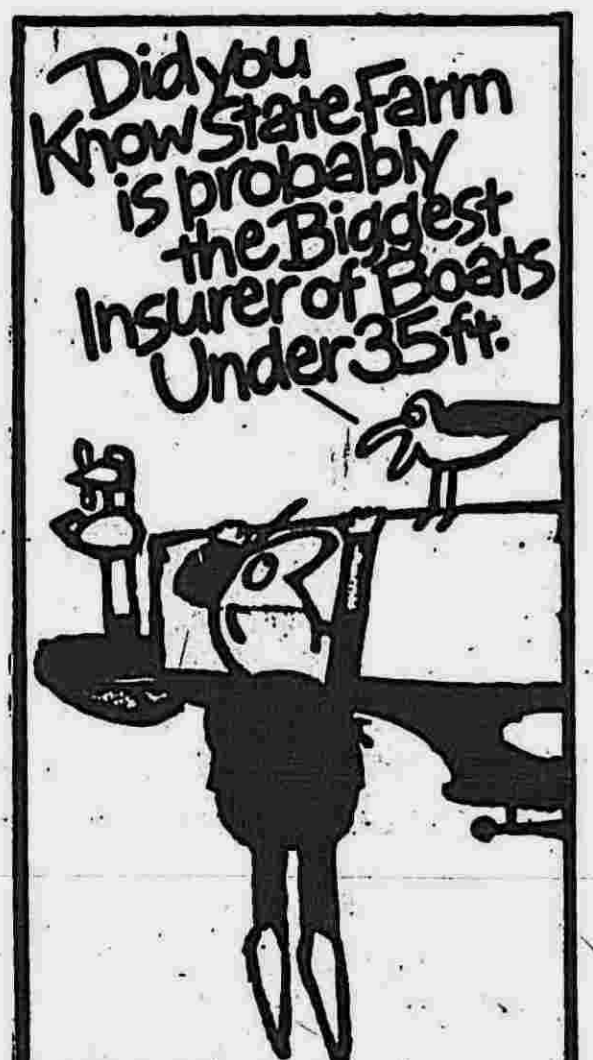

Valedictorian of the 1969 graduating class at Antioch Community High School, Ms Westlund has completed her bachelor of science degree at MSU in three rather than the usual four years.

A psychology major, she will graduate with honors on Sunday.

SIU STUDENTS ENGAGED IN STUDENT TEACHING

Nearly 300 students at Southern Illinois University at Carbondale are engaged in student teaching during the summer quarter in Illinois classrooms. A quarter-year of actual classroom experience under supervision of the SIU department of student teaching and a qualified teacher is a degree requirement at SIU.

Included in the group is Teresa Meyer of Rt. 4 Box 144D Herrin Center, Antioch.

"Wait" SCHILLER
Roofing & Insulating Co.

188 Lewis, Burlington, Wis. WALTER J. SCHILLER - OWNER

Reunited After 50 Years

It had been more than half a century since they had last set eyes upon each other and yet guided only by old photographs the two recognized each other.

Running, waving and all the while crying "sister, sister", the two embraced, much to the consternation of customs officials at busy O'Hare International Airport.

The scene thus unfolded as Mrs. Kathleen Roberts, of Antioch was reunited with her sister Frau Julianna Steible, of Marz, Germany on Monday, June 26 after a separation of 52 years.

The two had last seen each other as small girls when Mrs. Roberts sailed from Cherbourg, France bound for the New World with her aunt and uncle.

In the ensuing years, the two corresponded occasionally through a niece, but because of family and other responsibilities could never meet.

Older now and both set in different life styles, countries and continents: what differences there are were not apparent due to the invisible bond of sisterhood.

Even though Mrs. Robert's German is uneven and broken after years of neglect, she and her sister spent most of their first days together speaking of their lives, only so recently rejoined. They talked of childhood and the years of struggle, tears and toil that had separated them. (Frau Steible's husband, a German, was executed by the invading

Russians in Soviet held Yugoslavia in 1944. She escaped at the very last moment only because of her Hungarian citizenship.

But as in all things, the oceans of time wash away the tears and bitterness and the two sat smiling and laughing each basking in the sunlight of the others presence.

Although Frau Steible had been in this country for only three days, she already had some definite opinions. "Schön, Schön" she cried when asked through her sister what she thought of the area.

She explained that at her home, only 22 kilometers from Dusseldorf, there were fewer trees and open areas. Gesturing she noted that there were block after block of homes and apartments. She did however, notice that her homeland was a bit cleaner and better managed.

Frau Steible is something of a world traveler. She has lived in two other countries, (Yugoslavia and Hungary) in addition to Germany and speaks the languages of all three fluently.

Her only previous exposure to the United States had been through television. She said that "Bonanza" and "High Chaparral", both westerns are extremely popular in Germany.

Mrs. Roberts, who gives her sister a running account of the T.V. action in German, said she was apprehensive about viewing "Hogan's Heroes", a war comedy set in German P.O.W.

Camp. But the Frau took no offense and indicated that the Germans too, made fun of their own army at times.

When asked what she most wanted to see during her five-week stay, Frau Steible said she wasn't sure, explaining that she wanted to see as much as possible to be able to tell her daughter and family at home.

Mrs. Roberts and her husband, Walter, said they intended to take her to the Wisconsin Dells for a few days and also plan to visit St. Mary of the Lake Seminary in Mundelein.

While their plans were not totally set, Mrs. Roberts said that her sister wanted to visit the grave of the late exiled King Peter of Yugoslavia. He lies in a simple grave in Libertyville.

In addition, she said that she wanted to take her sister to Chicago to see both the skyscrapers and the slums. "I want her to see both sides of life here and then she can make her own decisions."

The Antioch News will speak again to Frau Steible later in the summer after she has seen something of the country she has heard so much about.

INCREASED STUDENT ENROLLMENT

Student enrollment increased this summer on the College of Lake County campus. The number of students registered for the summer session totals 1,829, 155 more students than last summer.

In-district students number 1,626, accounting for almost 90 per cent of the enrollment. The remaining 203 enrollees are Illinois residents but reside out of the College district. As expected in a summer session, part-time students far out number full-time students, 1,810 to 19, and male students out number female students, 935 to 894.

Forty-three per cent of the summer students enrolled are new to the College of Lake County. Of this number, 250 are visiting, or "transient," students who have attended universities or colleges other than CLC during the previous academic year. A total of 99 institutions of higher education are represented in this group. Two-thirds of the group, 163 students, attended 33 Illinois colleges and universities; the remaining 87 students came to the College of Lake County from 55 institutions located in 23 states.

ANTIOCH, ILL.

With a Stern Eye

Over the past months we have heard a good deal about the Ethics Legislation that was going to keep government honest. Over-worked members of School Boards and Special district boards complained that they were paid nothing, worked to death, and now they would have to bare their financial bosoms to the world—they would quit, many declared! They needn't have worried. The questions that an officeholder is asked to answer are so bland and shapeless that no one under the level of Supreme Court Justice can be sure he knows what to answer.

July 1st, like the inevitable tide, has come. And with it came a sea of yellow forms to the County Clerk's office—some by mail, some over the counter, some even handed to the Clerk in the lobby.

"Here, Grace. I don't know if I did it right, but it seems as though none of it applied to me." And there was always some modest little joke about how the speaker was a poor working man with no income to disclose.

The fact of the matter is that the long heralded Income Disclosure forms disclose practically nothing—at least of all income. In fact even the title has abandoned the pretense—it is now called a "Statement of Economic Interests."

Throughout the last days of June, officeholders of every stripe stood at the Clerk's counter, biting the ends of their ball points and mumbling irritably. "What does that mean?" "What is an entity?" they would ask one another.

"List the nature of professional services rendered (other than to the unit of government in relation to which the person is required to file) and the nature of the entity to which they were rendered if fees exceeding \$5,000 were received during the preceding calendar year from the entity for professional services rendered by the person making the statement." So goes Question 3.

Number 6 is even more

abstruse: "List the name of any entity doing business with the unit of local government in relation to which the person is required to file from which income in excess of \$1200 was derived during the preceding calendar year other than for professional services and the title or description of any position held in that entity. No time or demand deposit in a financial institution nor any debt instrument need be listed."

No wonder the state Supreme Court labored so long before finding it constitutional they couldn't translate it into English.

After running through all eight questions on my own form, I found that nowhere did it ask for an amount of money. I fussed over it and I fumed. My husband, who is an attorney, thought it meant one thing one night and something else the next. We examined our income tax returns, our savings pass books and those of the children. As trustee for my father's estate I asked my brother to send me a list of its holdings none of which seemed relevant, but how can one be sure? The

analysis seemed endless. It was, in fact.

Nearly everyone with whom I discussed the form, found it confusing and full of non-information.

"I've just put 'none' all the way down," said most of the perspiring respondents. "Or 'non-applicable'—I don't have a private fortune." And we would chuckle together.

"I think all they really want from you," I would suggest tentatively after first assuring them that my opinion meant nothing—each should go over it with his own lawyer. "They want to know if you're on a school board, that you don't own stock in the company that sells you textbooks. Or if you're on a Building Commission they want to be sure you're not having the excavation dug by your own construction firm—kind of stuff."

But even if it were true that a fortune was being pilfered from the trusting taxpayers, it would hardly be apparent from the completed form.

The legislature appears to have labored once more, and brought forth a mouse...

Dieter's Delight

■ You may find your diet plan working in reverse if you try skipping breakfast to lose those unwanted pounds. Chances are, you'll snack and overeat at other meals, consuming more calories than you would have eaten at a sensible breakfast.

Here's a dieter's breakfast so good you won't want to miss it! Coconut Berry Cereal (with puffed wheat) served with ½ cup skim milk is only 133 calories. Complete the menu with 2 crisp rye crackers spread with 2 tablespoons cream cheese and 1 glass skim milk for a total of 361 calories. (Add 5 calories for puffed rice.) It's a nutritious, filling and satisfying meal for fewer calories than are in one piece of apple pie!

* Coconut Berry Cereal
Crisp Rye Crackers Cream Cheese
Skim Milk

COCONUT BERRY CEREAL

½ cup unsweetened fresh or frozen strawberries, thawed 1 teaspoon flaked or shredded coconut
1 ¼ cups Quaker Puffed Rice or 1 ½ cups Quaker Puffed Wheat

Slice strawberries in half. Top bowl of puffed rice or puffed wheat with sliced strawberries. Sprinkle with coconut. (For sweeter cereal, use more coconut.) Serve with milk. Makes 1 serving.

WHAT HAPPENED WHEN AGNES HIT TOWN SHOULDN'T HAPPEN TO A TOWN

But it did.

To towns like Richmond, Virginia, Pittsburgh, Pa. Wayne, N.J. Wheeling, West Virginia. Olean and Elmira, N.Y. And a host of others.

Hundreds were killed. Hundreds of thousands suffered. You saw the incredible destruction and hardship on tv, and in your newspaper. Now the waters have receded. And somebody has to pick up the pieces. To feed people. And clothe them. And care for them. And find them homes.

STIFF COMPETITION WITHIN RIFLES

Six quarterbacks are attempting to replace front runner John Dobbs as the starting quarterback for the Lake County Rifles professional football team.

Dobbs, a star at the University of Tulsa and son of the legendary Glenn Dobbs, last season led the Rifles to a division tie in the Central States Football League.

Two west suburban youth are among those seeking the starting assignment and both were outstanding players in high school and college ball. They are Don Cummings from Glenbard East and Dan Halt from Glenbard West high schools.

Cummings, an honorable mention all-American, played his college ball at North East Missouri State where two years ago he was among the top five yardage gainers in the country with 1500 yards passing and another 700 yards running.

Coach Jesse Vail said the 5 ft. 10 in. tall Cummings has a great competitive attitude and a healthy cockiness.

Halt hails from Idaho State and comes to the Rifles with an excellent recommendation from his coach. At 6 ft. 2 in. tall weighing 175 pounds he has a bean pole appearance, a good passing arm and is considered

to be a superb strategist.

Also looking for a shot at quarterback is Kenny Stone who has played for several professional minor league teams since graduating from Wilson Junior College a decade ago.

Not as well known but seeking an opportunity to perform are Ed Rodham from Penn State and Maine South high school; James Osborn who played at Wheeling high school; and Bill Duesenberg from Sullivan High school who played quarterback and safety at Southern Illinois University.

Bruce Swanson who can play quarterback but probably will play defensive half back and perhaps punt played his college football at North Park College in Chicago where he was an honorable mention all-American. He played high school ball at North Park Academy. Swanson teaches at Wheeling high school.

Veteran observers of the Rifles were surprised and pleased at the businesslike attitude of the opening practices and unlike past years the players were prepared for practice and did not engage in the usual horse play.

The Rifles' first home game will be at 8 p.m. July 29 in Carmel Field on highway 176 in Mundelein.

PETERSON DOUBLES FOR HATO DOUBLE HEADER

Favored Bob Peterson, Lake Geneva, won the 25 lap feature race at the Lake Geneva Raceway on Saturday night July 1, after taking the lead from Joe Ments, Milwaukee on the 10th lap.

Peterson had started in last spot and held off Cal Clark, Milwaukee to win not only both nights of the HATO Racing "Double Header" but the six foot trophy award as well.

It wasn't easy to win twice for Peterson but it might have been

a lot tougher if George Weyroach, Elkhorn had not been sidelined from the feature and if Gil Shilts, Delevan, had been able to make the night of racing. Shilts did not show up for the second night of competition and no reason was given for his absence.

Cal Clark finished comfortable in second over Ken Otto, Burlington; Ken Hinzpeter, Twin Lakes and John Bermeister, Burlington.

Ken Wick won the semi-feat-

ure for 15 laps and 10 lap heat races were won by Jerry Straube, Clark, Ments and Jim Daum.

Petersen's point advantage for the double header that started out on Friday June 30, was 34 points over Clark with Straube earning the third highest total.

In Spectator stock car events, point leader Sam Grubb racked up another feature win with Harold Skogstad taking the semi-feature race honors and heat race winners being Grubb, Bill Sargent and Wayne Sterken.

The Antioch News SPORTS

SWIM TEAM NEWS

Antioch Aqua Center's swim team challenged the powerful Lake Forest club team last Tuesday evening at Lake Forest. This same Lake Forest team has only been beaten about twice in six years! Tho' Antioch wasn't able to pull off an upset, they gave the Lake Forest team a good, hard race.

Young Jack Fields is beginning to show lots of promise in his diving as well as his known swimming talents. He captured a first place in the 12-under diving. Judy Houghton, another young diver, held the third place until her last dive.

Mary Ann Cilik and Teddy White, 8-under, continued their fine swimming with Ted getting a first in 25 meter freestyle and Mary Ann in the 25 meter backstroke. Other winners were Dave, Ed, Suzy, Carol Berry, Pat Muro, Rhonda Dutton, Judy Houghton, and Mary St. Pierre.

Wednesday, July 5th, the team entertains Brentwood,

Waukegan, in their first home meet of the season. This meet will begin at 6:00 PM.

The rest of the summer swim schedule follows:

Wed. July 5 - 6pm - Brentwood at Antioch.

Sat. July 8 - 9:30 am. - Relays at Plum Grove (Palatine)

Wed. July 12 - 6 pm. - Old Willow at Antioch

Tues. July 18 - 5 pm. - Antioch at Tennaqua (Deerfield)

Fri. July 21 - 5 pm - Diving at Lake Forest

Sat. July 22 - 9:30 am. - Conference championships at Lake Forest

Wed. July 26 - 6 pm. - Relays at Tremper High Sc. Kenosha

Thurs. July 27 - 6:30 pm - Ant. at Tremper (Kenosha Red Team)

Wed. Aug. 2 - 6 pm. - Kenosha Blue Team at Antioch

Sun. Aug. 6 - 10:am. - Antioch Invitational Meet

Wed. Aug. 9 - 6pm. - Record-Breaker & Swim team party (at Antioch)

HARRY STERN WINS SHOOTING TROPHY

Antioch's "Hot-shot Harry" Stern added another shooting trophy to his collection, Saturday, July 1st.

Competing in an A.T.A. sanctioned registered shoot at the Winchester North Shore Gun Club in Franksville, Wisconsin, Stern shot a crisp 98 to latch on to top honors in his class.

Harry lost the 13th target on the first trap, and again dropped the 13th target on the second trap. From there on in he splattered every remaining clay bird.

Another Antioch shooter, Wayne Dyer, captured second place honors with his 97. He also won the high overall trophy.

DUKAS WINS 11th MAIN EVENT

George Dukas of Zion was the biggest winner at the Waukegan Speedway Sunday night in an evening full of surprises. Dukas led much of the way to win his 11th main event of the year.

Three demolition derbies were also on the agenda with Jim Dean in a smashed 1961 Chevrolet the big over-all winner. Dean and Larry Cash of Waukegan tied for the win in a demo heat while Butch Anderson of Gurnee won the other.

The biggest surprise of the night came when the late model field refused to enter the track, apparently over a dispute on the guaranteed purse which they had agreed to race for in a meeting one week previous.

As it turned out the hobby class was called on to fill the void and a complete 12 event program was presented. All the fans were given a one dollar rebate on their adult admission ticket and those who wished to leave before the program could get their full money back. Only 42 fans left!

Promoter Gordon Sill then announced that the hobby class are being promoted into a late model sportsman division with more money being paid to them. Special street car races, demolitions and other added attractions will complete the Saturday and Sunday night programs until further notice.

Dukas was the night's fastest qualifier with a :16.11 lap; however he was shut out in the other races until the feature event. Early leader Bob Kowalke of Mundelein was the second place finisher ahead of Ken Graham of Winthrop Harbor, Ted Richter of Libertyville and George Garrett of Zion.

With the news of the additional money in the new late model sportsman class, a field of over 40 cars is expected for next Saturday and Sunday's races. A new steel ramp is being constructed for the roll-over contest which will be run Saturday night and another demo is slated for that date. Sunday's races will include a powder puff derby.

REIMER IN PRE-HOLIDAY WIN AT WAUKEGAN

Johnny Reimer, defending champion of Interstates Racing Association of super modifieds, won the 30 lap feature race at the Waukegan Speedway on June 29 as he started a Holiday series of five races in six days. Reimer, who had won the only other feature completed at Waukegan in Supers competition, took the lead on the 19th lap from Chuck Rahn, Villa Park and opened up a half lap lead at the end.

Whitey Harris, Lake Villa, moved up quickly in the feature and took the lead on the 16th lap from Rahn but one lap later his engine lost a timing chain and he was out. On the last lap, Ron Bergsma, Richmond raced by Rahn to take second. Paul Cameron, Round Lake Roger Otto, Burlington, rounded out the top five.

Fast time was set by rookie sensation Jim Moulis, Antioch who turned in a 13.66. The track record is 13.58 seconds. In the feature, Moulis finished only 6th. Record holder Denny McKay, Elgin won a heat but a fourth lap crash with Harris and Jim Sullivan, Ingleside, eliminated him from the restart.

Other heat race wins were scored by Bill MacDonald, Crystal Lake, Den Monroe, Pell Lake and Bob Leyland, Crystal Lake.

Announced following the intermission was decision by Officials to change the week night of racing from Thursday to Friday nights and the next race was set for Friday night July 14.

OTTO CRACKS IRA WINNERS GROUP

Roger Otto, Burlington, who had not been able to get a feature race win in IRA competition since July 17 at Wilmot last year, tonight won the 30 lap IRA feature at the Lake Geneva Raceway.

Otto took the lead on the 20th lap when Jim Sullivan, Ingleside, Ill., who had looked like he was getting his first win of the season, slowed and pulled out with a broken transmission shaft.

Point leader Johnny Reimer was then second but on the 24th lap Whitey Harris, Lake Villa, moved by Reimer and it was not until the last lap that Reimer moved back around Harris to finish second. Ron Bergsma, Richmond was fourth and then it was Paul Cameron, Round Lake; Larry Leach, Elkhorn; Dave Bliss, Algonquin; Bob Leyland, Crystal Lake; and Jim Moulis, Antioch, rounding out the top ten.

Tom Anderson, Antioch, driving the new mid-engine modified from the shops of Future Industries in Antioch, won the semi-feature. It was the first time out for the radical designed super and from the running in the semi-feature, could be the new trend setter in super modified racing.

Gary Weise, Trevor finished

second and then it was Roger Isles, Waukegan.

Ten Lap heat races were won by Pop Kline, Genoa City; Ken Monroe, Pell Lake; Otto and Jim Sullivan.

Ron Bergsma, Richmond, set fast time with a 16.58 second lap just 1-100th of second off the track record held by Denny McKay, Elgin. McKay was not in the race field tonight due to an engine problem that developed at Wilmot on the previous night.

The IRA Sportsman stock cars raced in the second night of Triple Crown award Racing and the feature win went to Frank Smith, Milwaukee who made his first appearance at Lake Geneva and on the IRA Circuit.

Jack Ashenbrenner, Hales Corners, nipped Ron Fryer, Milwaukee by just inches at the finish line to take second. Fourth was Cal Clark, Milwaukee and then Jim Cmelak. Cmelak continues to lead and is favored to win the Triple Crown award that will be concluded on Monday night, July 3 at Wilmot.

Sportsman ten lap heat races were won by Smith and Fryer.

IN THE WORLD OF BANANA-LOVERS, STEPHAN NEL HAS BEEN A HERO SINCE 1970-- WHEN HE ATE 50 1/2 BANANAS IN ONLY 10 MINUTES!

EVERYTHING FAST AS HARRIS WINS AT WILMOT

Everything went along at a rapid pace at the Kenosha County Speedway in Wilmot Saturday night for the Interstates Racing Association of modifieds and sportsman stock cars. Starting with the time trials on through to the final checkered flag at 10:25 p.m., there were few problems that slowed the rapid pace of the races.

For Whitey Harris, Lake Villa, who has had several problems since winning a feature at Wilmot on May 27, everything went his way and from his 8th starting spot in the 30 lap feature, he moved to the outside and finally passed leader Paul Cameron, Round Lake on the 12th lap. By the end, Harris had nearly a straight-away lead on Cameron who had his hands full staying ahead of Don Sorce, Aaron Solsrud and Johnny Reimer. On the final lap, Sorce spun between the third and fourth turn and dropped to 13th in the standings.

With Sorce out, Solsrud, Menomonee Falls, made a great charge to move by Cameron at the finish line, but missed by just inches. Reimer was also close for fourth and then it was Carl Schultz. All but Solsrud in the first five have won feature races so far on the IRA Circuit and the driving by Solsrud tonight left little doubt but what he will soon have that

initial Wilmot victory.

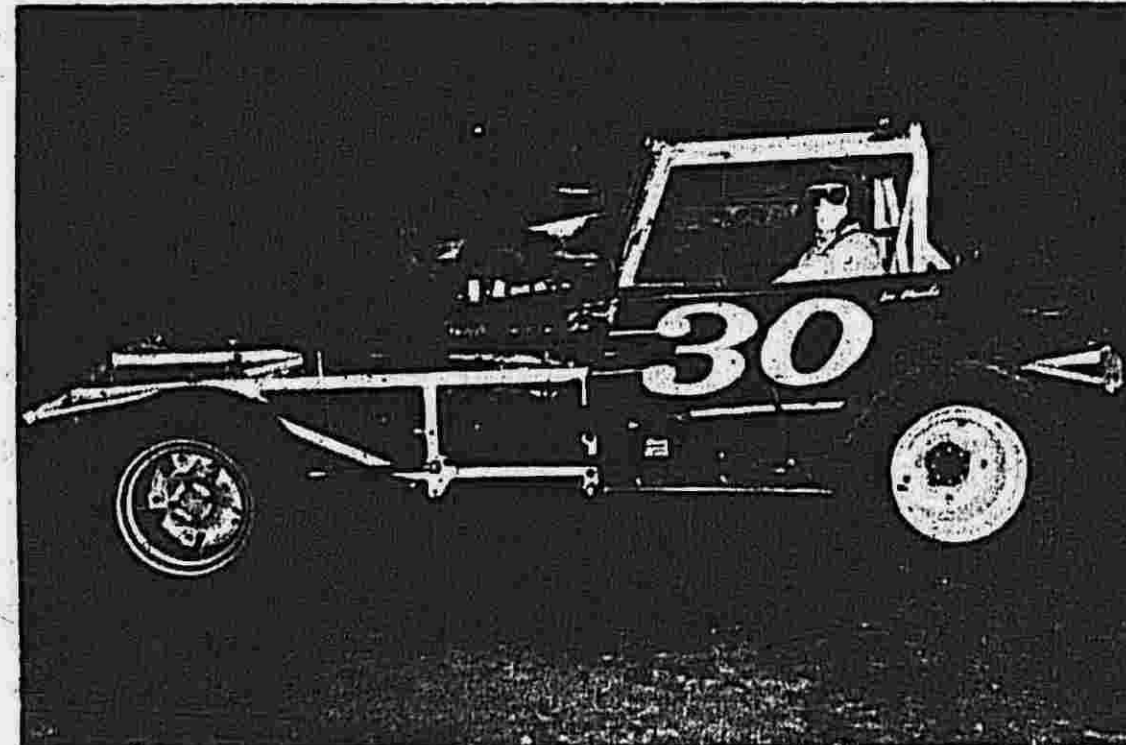

Ron Marish, Milwaukee, who lost the honor of a 16.96 second qualifying run last Saturday night because his car had not been certified by IRA Inspectors, set a "legal" fast time tonight of 17.43 seconds. He started 15th when Denny McKay, Elgin was unable to start the feature and Dick Aissen moved into the last starting spot. His car developed problems and he was out after the 6th lap.

Jim Moulis, Antioch, the leading contender for Rookie of the year honors, won the 15 lap semi-feature over Ken Monroe and Joe Kristen.

Larry Leach, Elkhorn won not only the 12 lap consolation race but a 10 lap heat race as well. Other heat race winners were Tom Anderson, Bill Kelly, Carl Schultz and Mike Schissel.

Jim Cmelak, point leader for the IRA Sportsman stock cars, inherited the lead in that 15 lap feature when Ron Fryer spun on the final lap with a lead that would have been otherwise impossible to overcome. Fryer finished fifth. Sid Norton was second and then it was Joe Greske and Tom Barker.

Fryer and Dave Zilmer won heat races. The win for Cmelak made him the favorite to earn the Sportsman Triple Crown award Trophy for the three days of racing that moved to Lake Geneva on Sunday and back to Wilmot on Monday. Attendance was a new high for the season at 4860 and the purse \$4,260.00.

Jim Moulis, Antioch, Illinois, set fast time at the Waukegan Speedway on Thursday night June 29 with a blistering 13.66. The track record is 13.58 seconds. Moulis has been one of the hottest rookies ever to hit the IRA Circuit and it is believed this is the first time a rookie driver has ever set fast time in his rookie year. Moulis has five overall wins. He added the fifth win at Wilmot Saturday night with victory in the 15 lap semi-feature race over Ken Monroe and Joe Kristen. Moulis had to race hard to overtake Ken Monroe who had led. Veteran race Pop Kline spun while trying to hold off the talented Rookie Moulis.

KLEICH WINS FOURTH FEATURE AT WAUKEGAN

Rick Kleich of Chicago passed Lee Schuler of Lockport in the 44th lap of the "Firecracker 50" late model stock car race Saturday night at the Waukegan Speedway to win his 4th feature race here.

Kleich, in his ex-Dick Trickle 1969 Torino was racing side-by-side with Schuler when Dennis Johnson of Arlington Heights blew his engine and coated the first turn with oil, bringing out the red flag.

On the restart Schuler experienced brake problems and Kleich took the lead, which Schuler could not then regain. Earlier Schuler has set a new one lap qualifying record of :14.27 in his 1972 Chevelle.

George Dukas continued his domination of the hobby class as he lowered his one lap record to :15.91 and then led much of the way in the double-point

25-lap hobby feature. Ted Richter of Libertyville avoided the spills for second money with Bob Klemm of Gurnee third ahead of Rip Tucker of Park City, Ken Hamann of Waukegan and Dave Horst of Gurnee. These drivers were all on the same lap with the winner.

Carl Major of Chicago led the 50-lapper one lap before Chuck Chadwick of Lake Zurich took over. In the fourth lap Tom Musgrave of Mundelein gunned his Ford into the lead and held it through the 23rd lap.

At that point both Schuler and Kleich swept by. The 18-year old Musgrave then had to race with point leader Vern Browne of Mundelein before finishing third, the best-ever feature finish for this sophomore driver.

Finishing on the same lap with Kleich in the 50-lap race were Schuler in second, Musgrave third, Browne fourth, Jim Cossman of Waukegan fifth and Major in sixth spot.

Schuler's near sweep of Saturday's races boosted back into second place in the red-hot point battle. Browne maintains his slim lead with 536 points compared to Schuler's 518 total while Cossman is now third with 502.

Fourteen cars started the action-filled first heat race for the hobby stocks, but only half that number finished the 8-lap event. Paul Mussa of Chicago escaped injury in the third lap after he tangled with two other cars and slammed hard into the homestretch wall with the other cars hitting the driver's side. Then Gerald Warrens of Wildwood took the lead in the final lap after Skip Don of Waukegan slowed with a flat tire. Don later won the consolation race.

Leisure Time And Sports-An Evaluation

With the length of the work week shrinking, America's labor force is being confronted with a unique problem: how to spend their increased leisure time.

For those 18 to 30-years old, the choices are almost infinite. They could include hiking, basketball, football, jogging or any of the so-called strenuous sports.

However, recreationists and psychologists are deeply concerned that the average middle aged toiler may be ill-prepared for such a windfall. For these men, strenuous physical activity could mean more than strained muscles. It could lead to serious physical problems: strokes and heart attacks. The blessing of additional leisure time could become a curse. And yet, the situation need never occur.

With a concerted effort toward re-education, workers need not be forced into the boredom of all day television binges or aimless wanderings down empty, lonely streets.

Dave Booth, Athletic Director at the Antioch Upper Grade School gave his assessment of the situation by stating, "Being exposed to four or five individual sports at an early age can be a great asset later in life."

According to Booth, many school systems are attempting to provide increased recreational possibilities by giving more priority to individual sports.

"Sports such as golf, tennis,

badminton and table tennis aren't great for fan appeal and admittedly the players may not be the greatest at this stage of the game, but they do fill a gap for those who cannot or do not participate in interscholastic sports."

Booth noted that the philosophy of academics and athletics were more than just compatible. "The goal of the school is to create and form the personality. In sports, he continued, "we take it one step further. By giving kids individual sports we hope to give them an outlet to successfully express themselves."

"I think our programs are just as important to the development and growth of a child as are the 'three R's'. After all, sitting in front of the tube does nothing for the physical make-up of a child or workers."

"I suppose you could say that a constructive use of leisure time is just as important as many academic areas."

Besides the impact of those sports geared for the individual, the athletic program in general is very important to a child, according to Booth.

"Sports give children the chance to be successful, to achieve. For those not particularly talented in academics, this can make a great deal of difference."

"After all, children can't drop out of school at this age, but mentally they can. Participation is the key."

Booth went on to say while

there was not a complete parallel situation, there were many similarities between the grade school and high school. "Sports, of course mean a lot to the athletes, but the student body is also very interested and involved."

"I could give you many examples of kids that would have quit school or failed themselves out, if it hadn't been for sports."

Booth next strung together an energetic evaluation of the districts sport program. However while listing the many accomplishments of the teams and individual members, he appeared to be looking back over his shoulder, in regard to the recent budget cuts. The cuts, enacted by the district board in March will mean the end of all sports activities, both team and individual.

Beginning in the fall the school will revert to a traditional minimum program

curriculum. "What is really a shame," said Booth, "is that the sports program with the pep club and other activities was practically self-sustaining." He noted that except for teacher salaries and team transportation, admissions and fees covered the cost of the operation.

"We give one hundred and fifty children (both boys and girls) the opportunity to participate in sports with the resulting gain in personal confidence and competitiveness," he said. "Without something to do after school, such as sports or any of the other activities a lot of kids will have increased time to themselves without direction. This poses a great problem."

Booth elaborated by speculating that behavior cases would skyrocket and that children who would normally walk a straight line could be tempted into mischief or worse.

John Gretz
Sports Editor

"Without sports or many of the other activities, school will probably become a 'drag' for the children. There will be little pride in the school that athletic competition fosters. The children won't have a healthy outlet to blow off steam."

"It could make a big difference."

JAYCEES TAKE KIDS TO SEE CUBS

On Monday, June 26th, the Antioch Jaycees took 53 worthy kids from the Antioch Area to a Cubs Baseball game at Wrigley Field, in Chicago. The junket left the Antioch High School parking lot by bus at 11 a.m. On the trip down to the game, the kids were provided with "Kentucky Fried Chicken", potato chips and soft drinks.

At the game itself, the kids were treated with the excitement of a rousing Cub's victory as the Cubs routed the Philadelphia Phillies by an 11 to 1 score.

Bill Slater, Chairman of the event, reported that there were no casualties other than some tired and overfed kids. It was quite a job supervising boys and girls ranging from the ages of 6 to 15 and still managing not to lose any.

All in all, the day was a complete success. Bill Slater expressed his gratitude to "Kentucky Fried Chicken" for their donation of 10 buckets of chicken. He also wished to thank Blarney Island for their donation of potato chips, Smiley's Tavern for their donation of soft drinks and the Cubs for their donation of tickets. But most of all, the Jaycees would like to thank all the people of Antioch for their support of the "Highway Hold-Up", which was held three weeks prior. The funds from this event enable the Cubs trip to take place. Already the Antioch Jaycees are looking towards next year, when they hope to take a greater number of kids to a ball game.

Jaycees preparing to take 53 youngsters to a Cubs baseball game at Wrigley Field on June 26th are (back row, left to right) Tony Starcevic, Jim Koppa, Bill Slater, Terry Folbrick, Pat Folbrick, Ed Roach and Elmer Pett. The young lads are holding some of the food donated by Antioch Jaycees to feed the youngsters on the field trip.
